MODELS WANTED

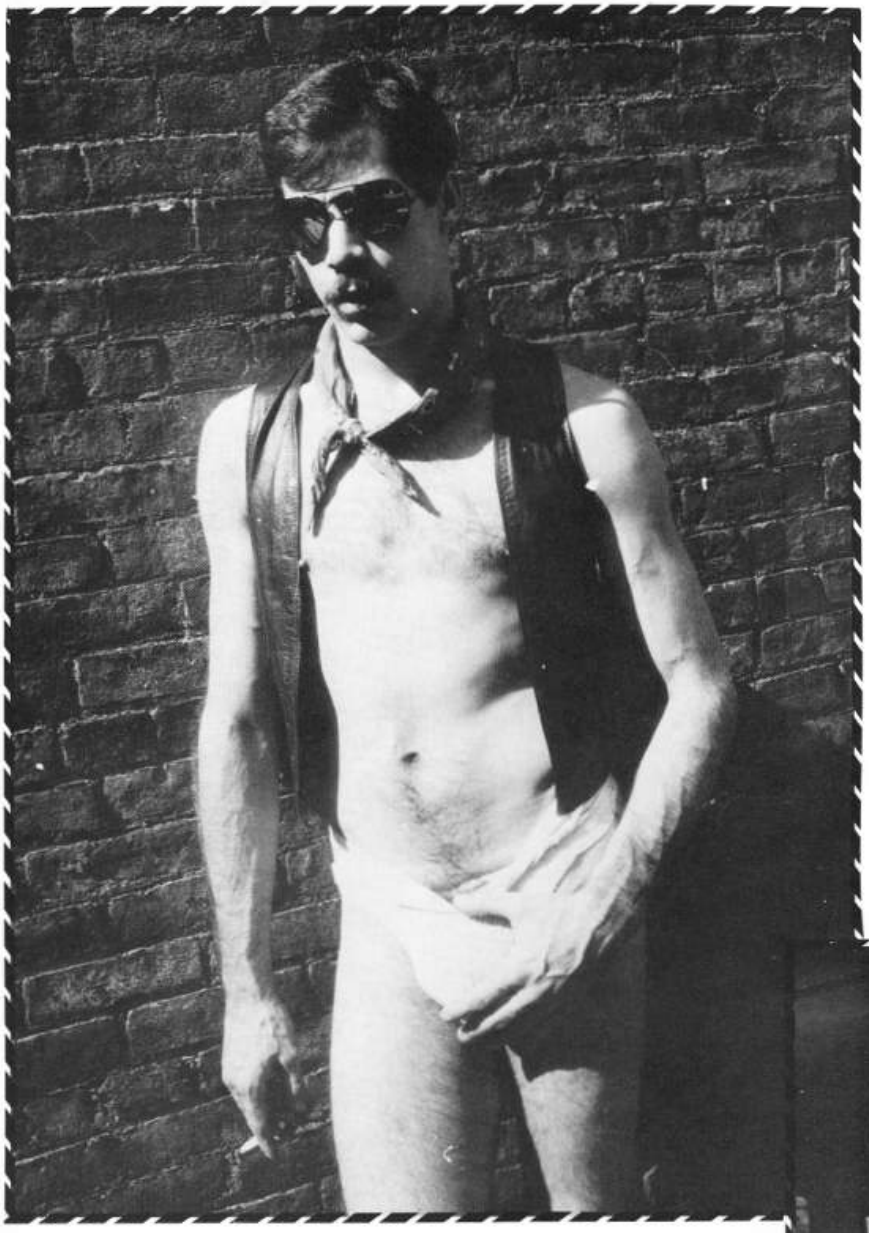
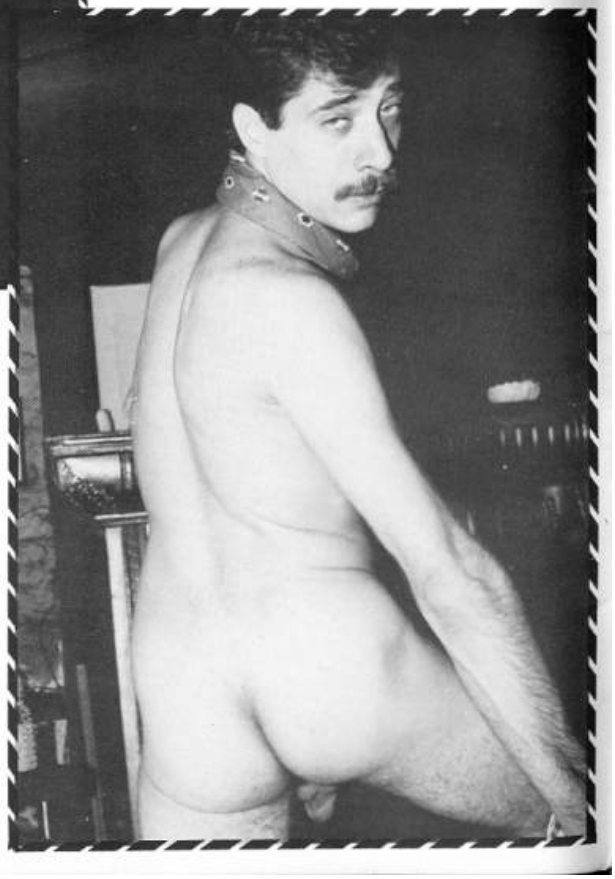
MAN-AGE is actively seeking models for our magazines, photo sets & for the cover of STARS magazine. You must be 18-25, hairless body, well hung, swimmer/gymnast body type, All-American/ Boy-Next-Door look. We are esp. interested in: blonds, hugely hung guys & those who can perform auto-fellatio. We like guys on the short side- 5ft.3 - 5ft.8 so don't feel you must be tall. FACE is of top priority to us esp. for magazine cover guys. You must be able to get into NYC as we are based here & all work is done here. If you fit the bill send photos (a clear sharp face shot must be one of the photos) & vital statistics to us at the above address.

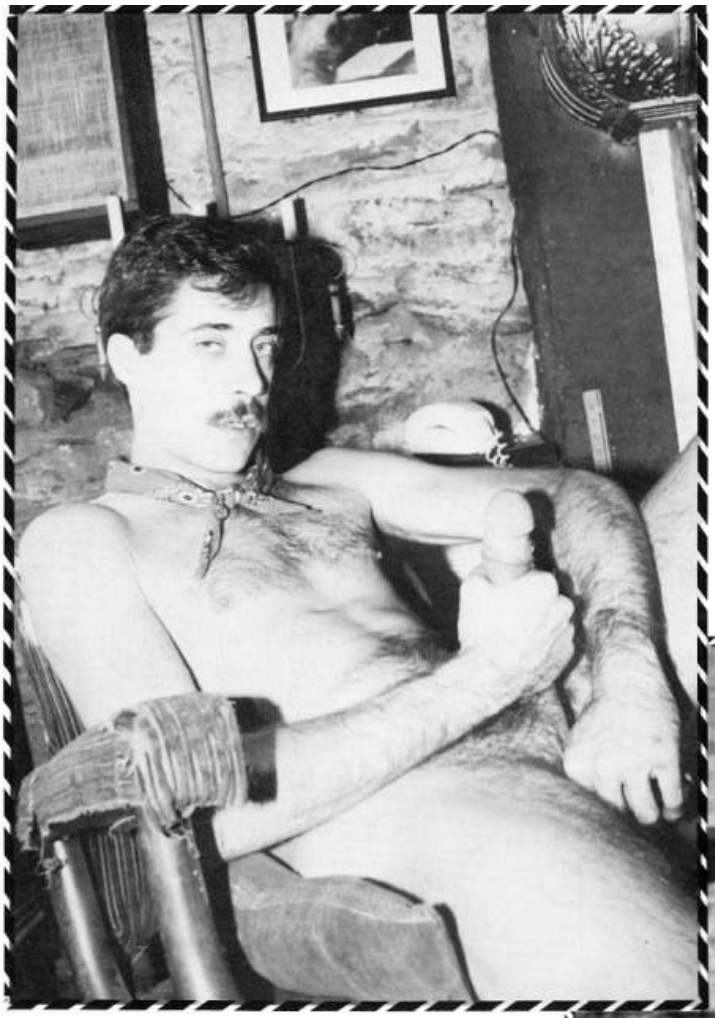
PAGE 4: Clockwise from top left: DAVY YOUNG,TOMMY WILDE & friend, DALE PETERS & SCOTT ANDERSON

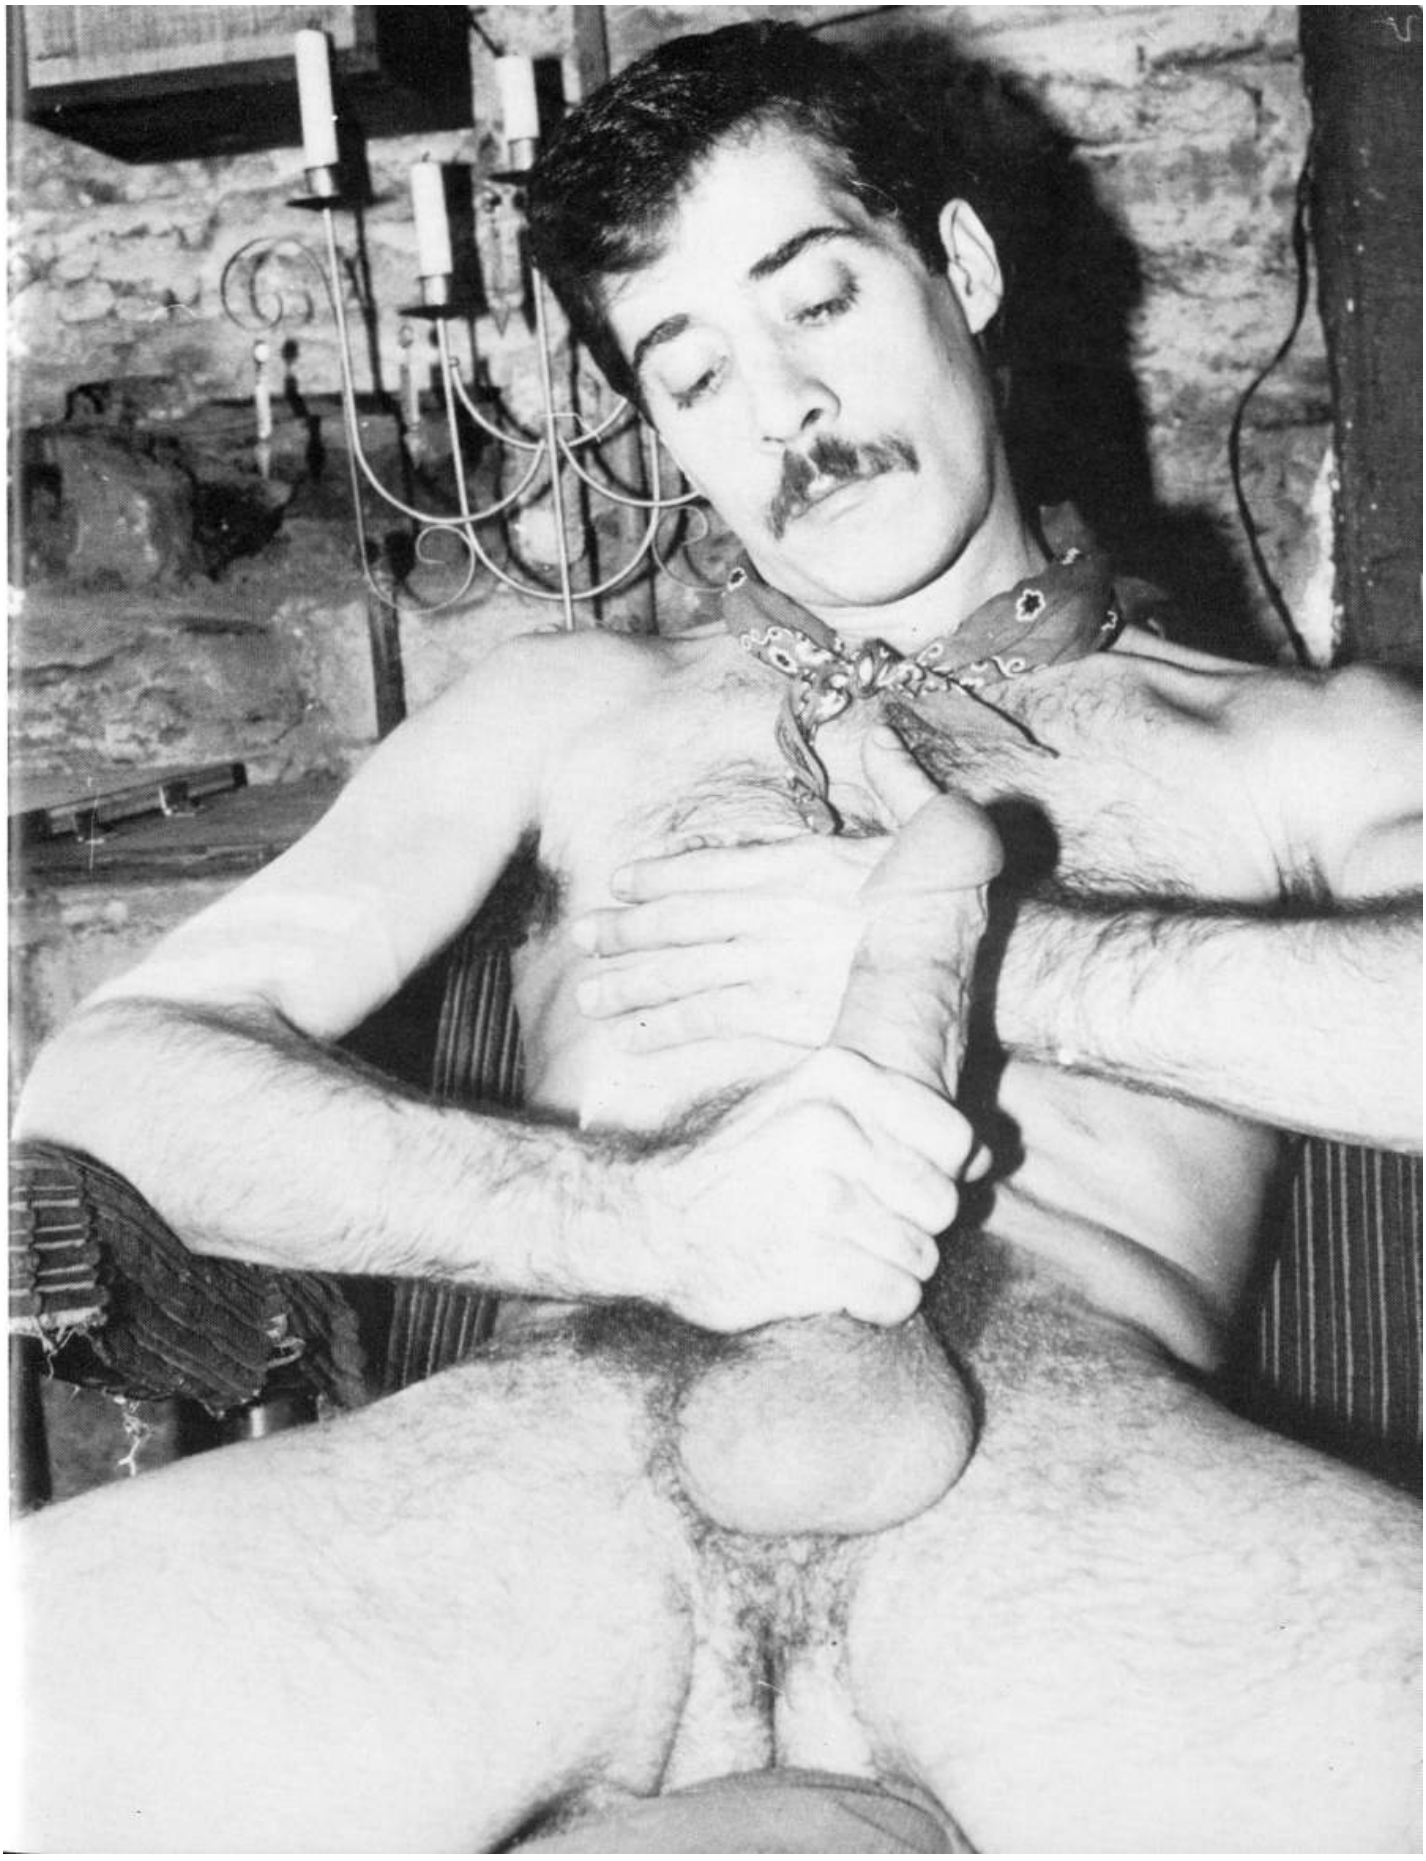


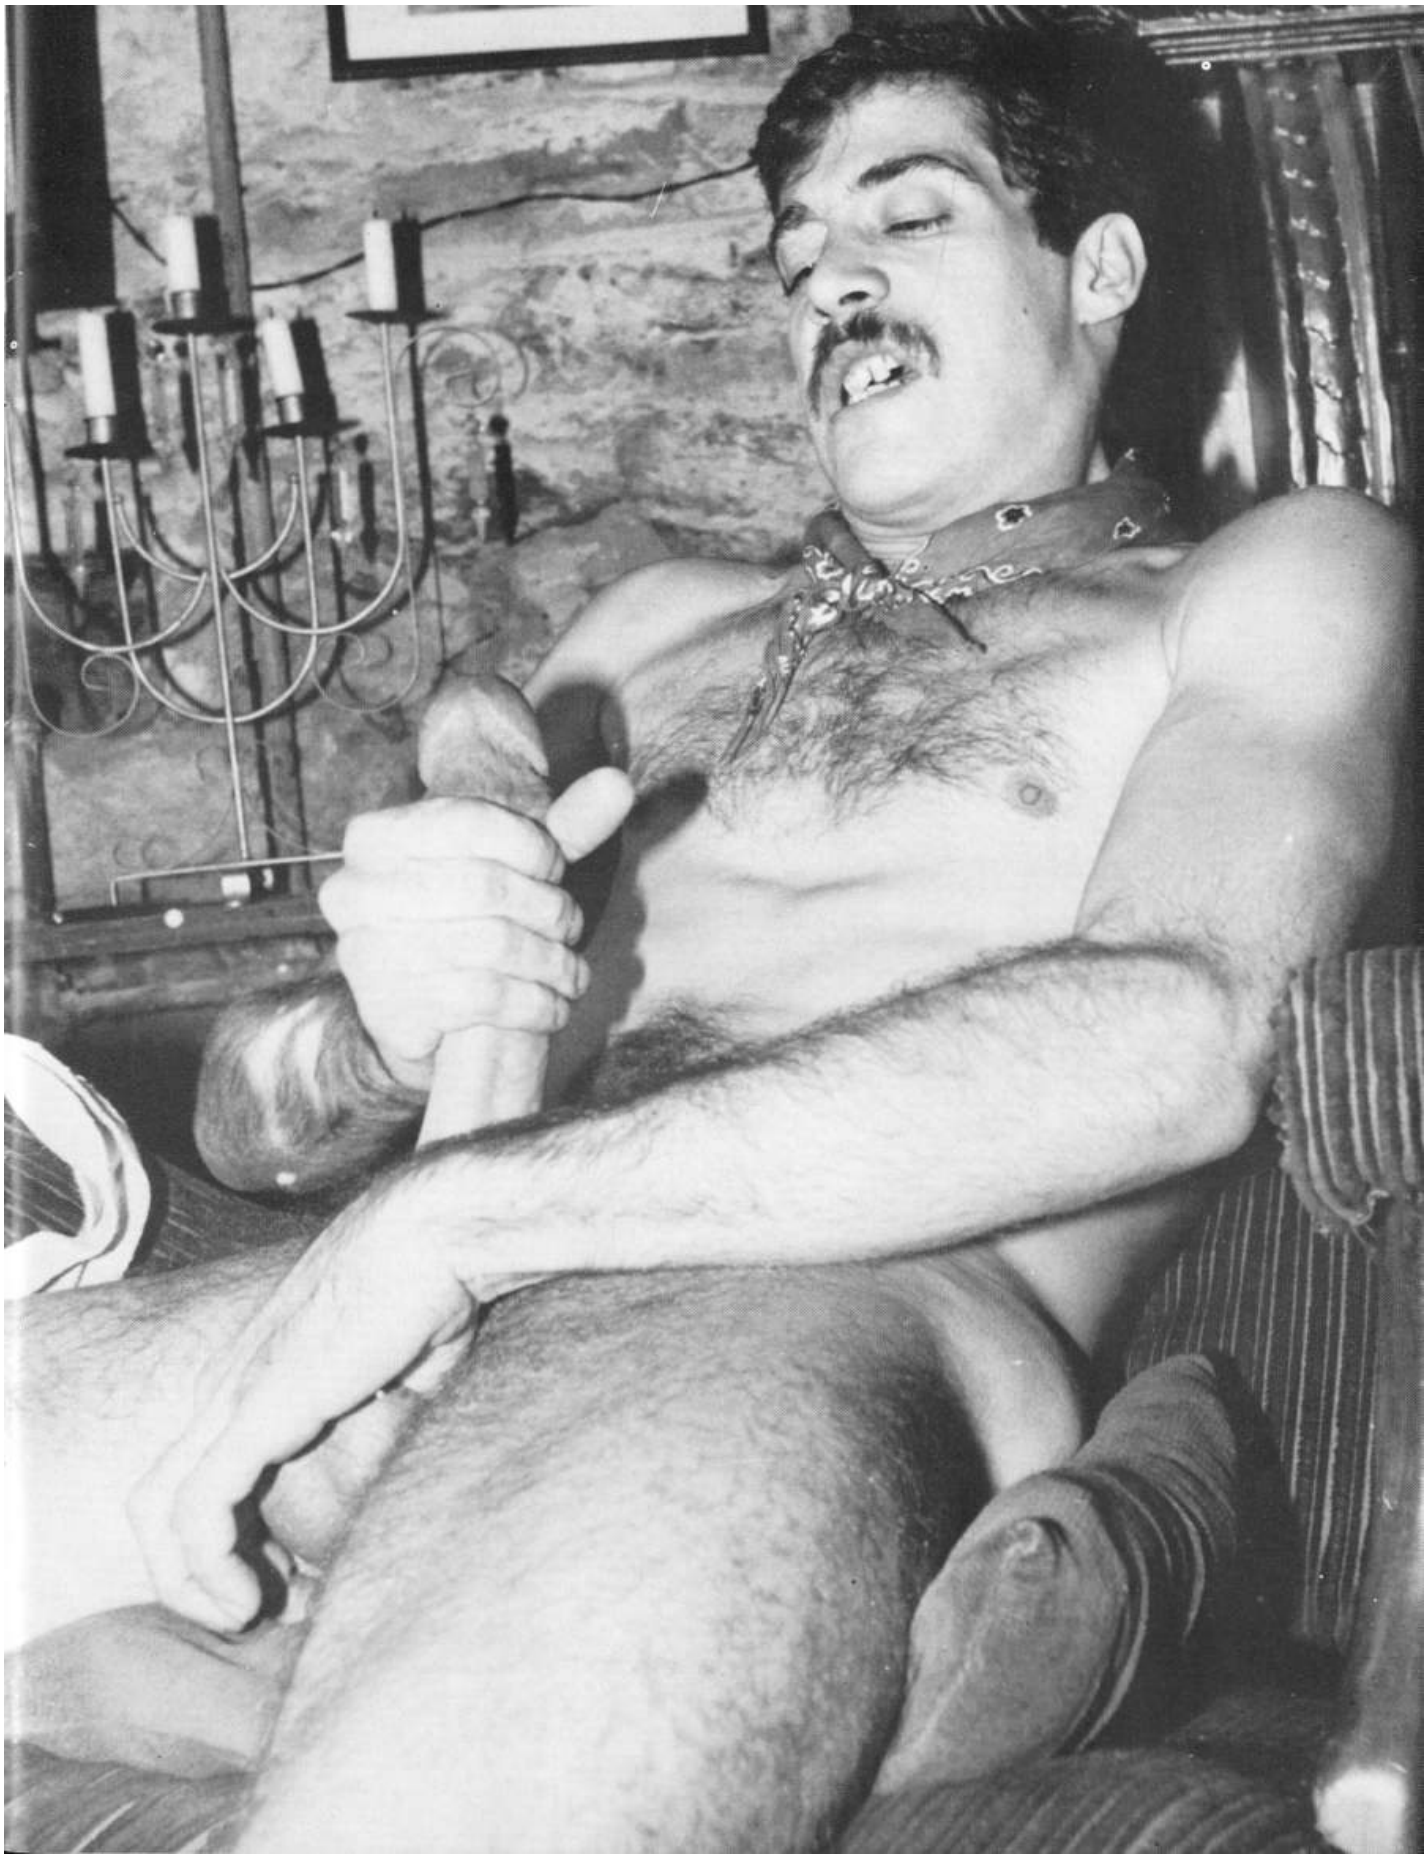


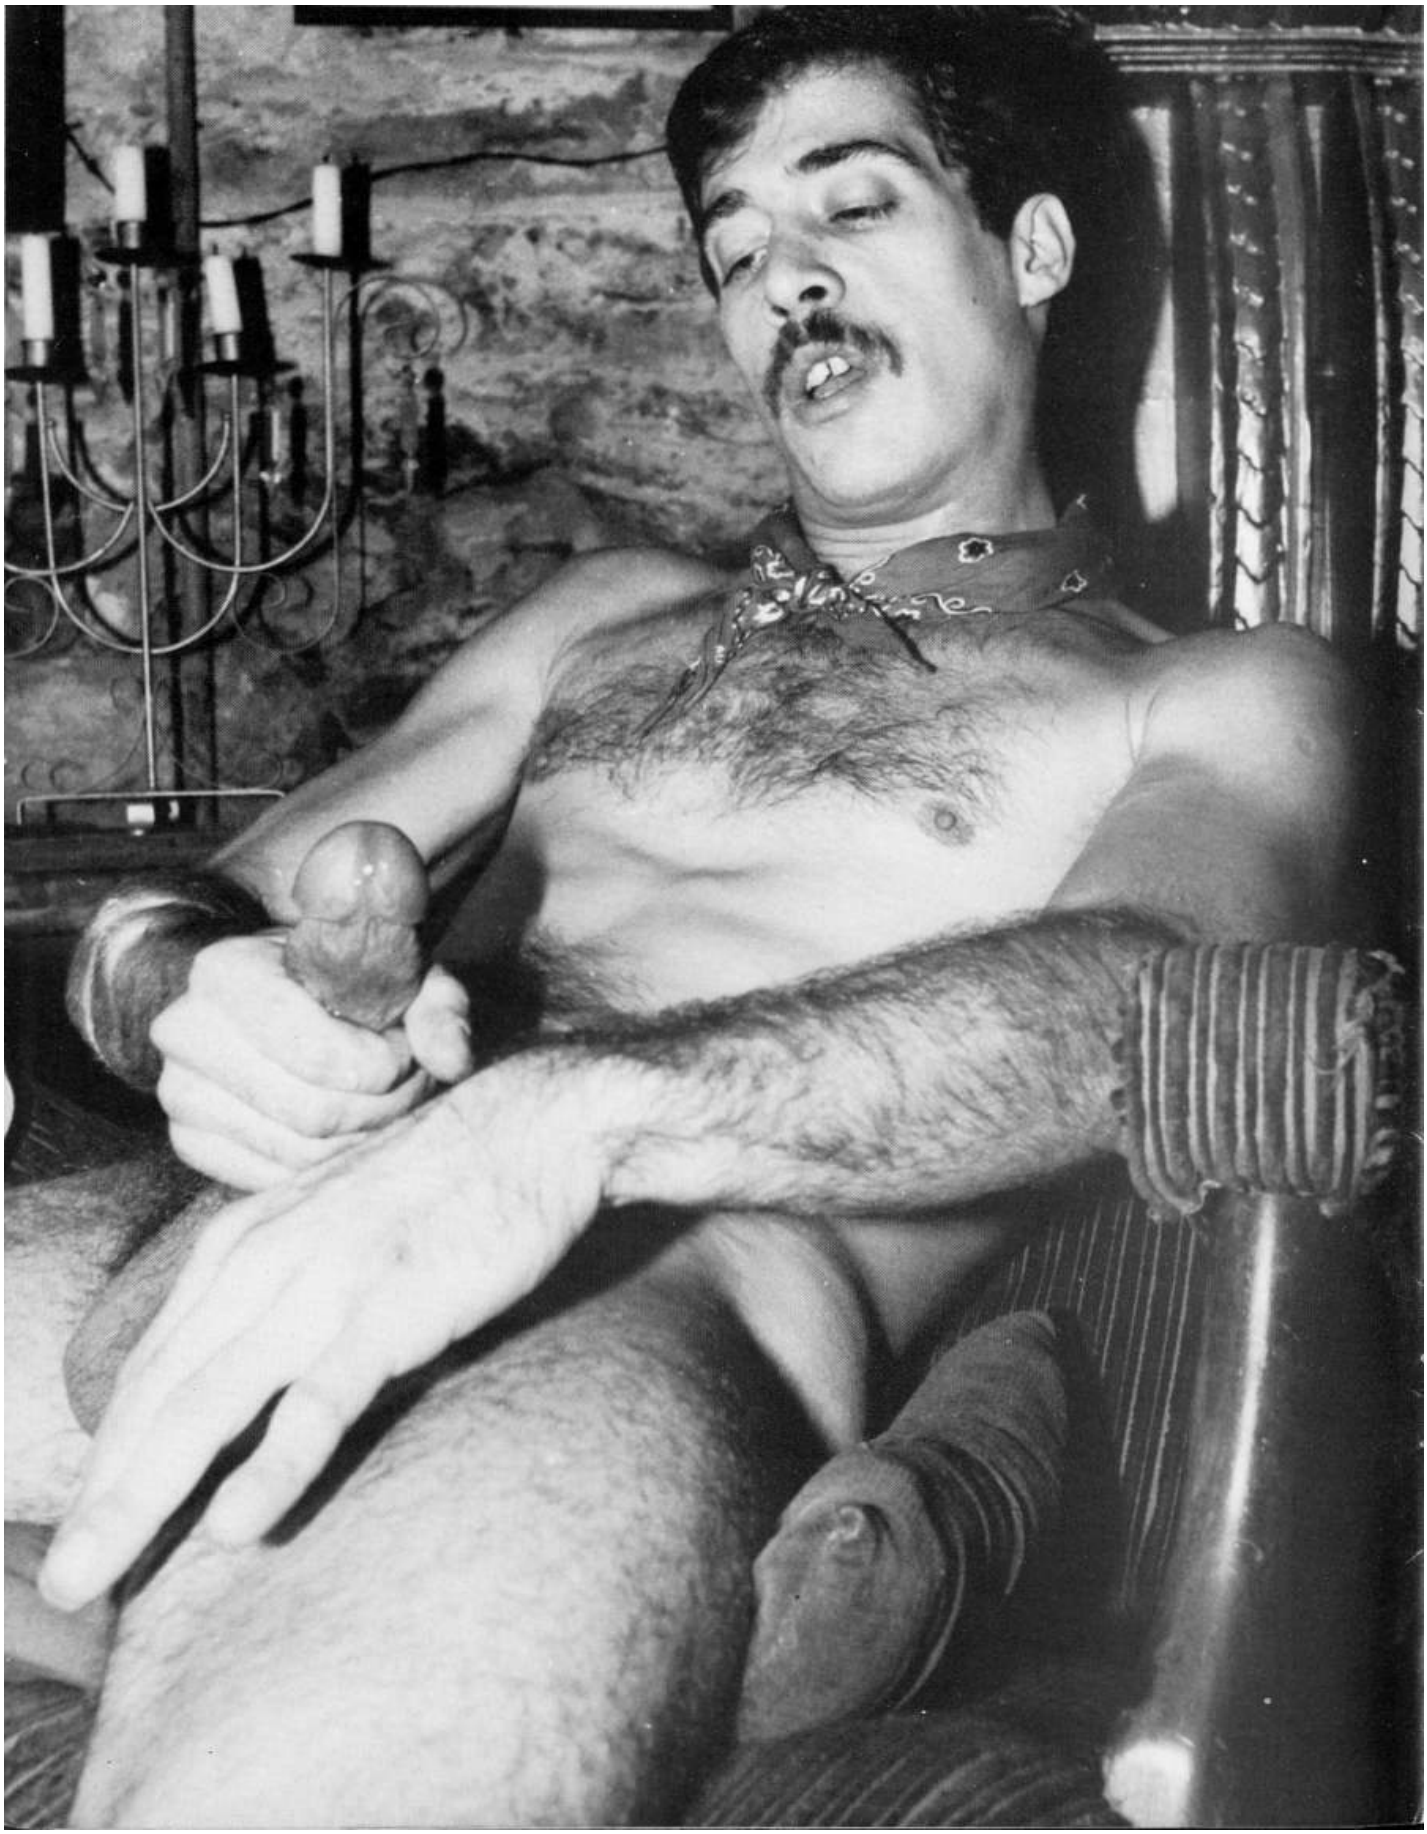
KEITH

In our "BOYS FROM M.A.N.-A.G.E. II" you saw KEITH ANTHONI's first session for MAN-AGE back in '76. These shots were done in late 1980 when he had reached super stardom. He was doing a really hot stage act in denim & leather that ended with him performing auto-fellatio, an act he's become an axpert at. Keith is 32, 5ft.10, 143 lbs., brown hair & aqua eyes, 29in. waist, 38in. chest, & his famous penis goes from 6 by 3 around to 10¼ by 5 around. He's heavily into oral sex & loves fantasys. His film credits are too numerous to mention.

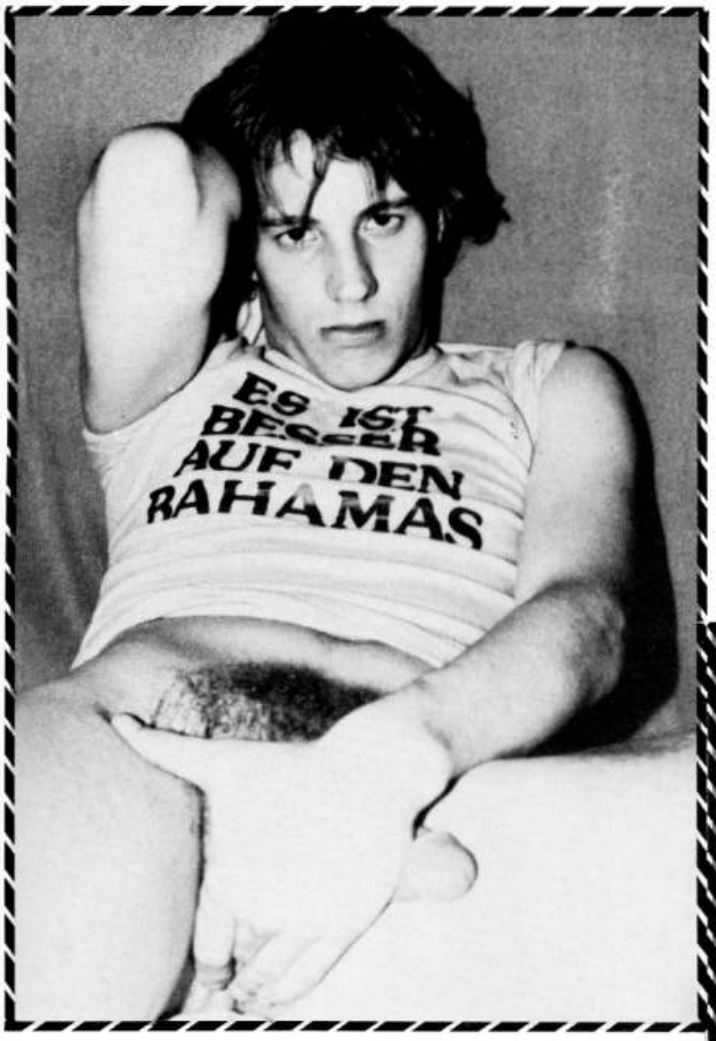








SCOTT



SCOTT ANDERSON came to MAN-AGE via M.V. & garnered many fans after we debuted him in STARS 19. He is 19, 6ft.1, 160 lbs., blond hair & brown eyes, 30in. waist, 40in. chest, & his penis goes from 4 soft to 9 hard. Sexually he's into everything & everyone.

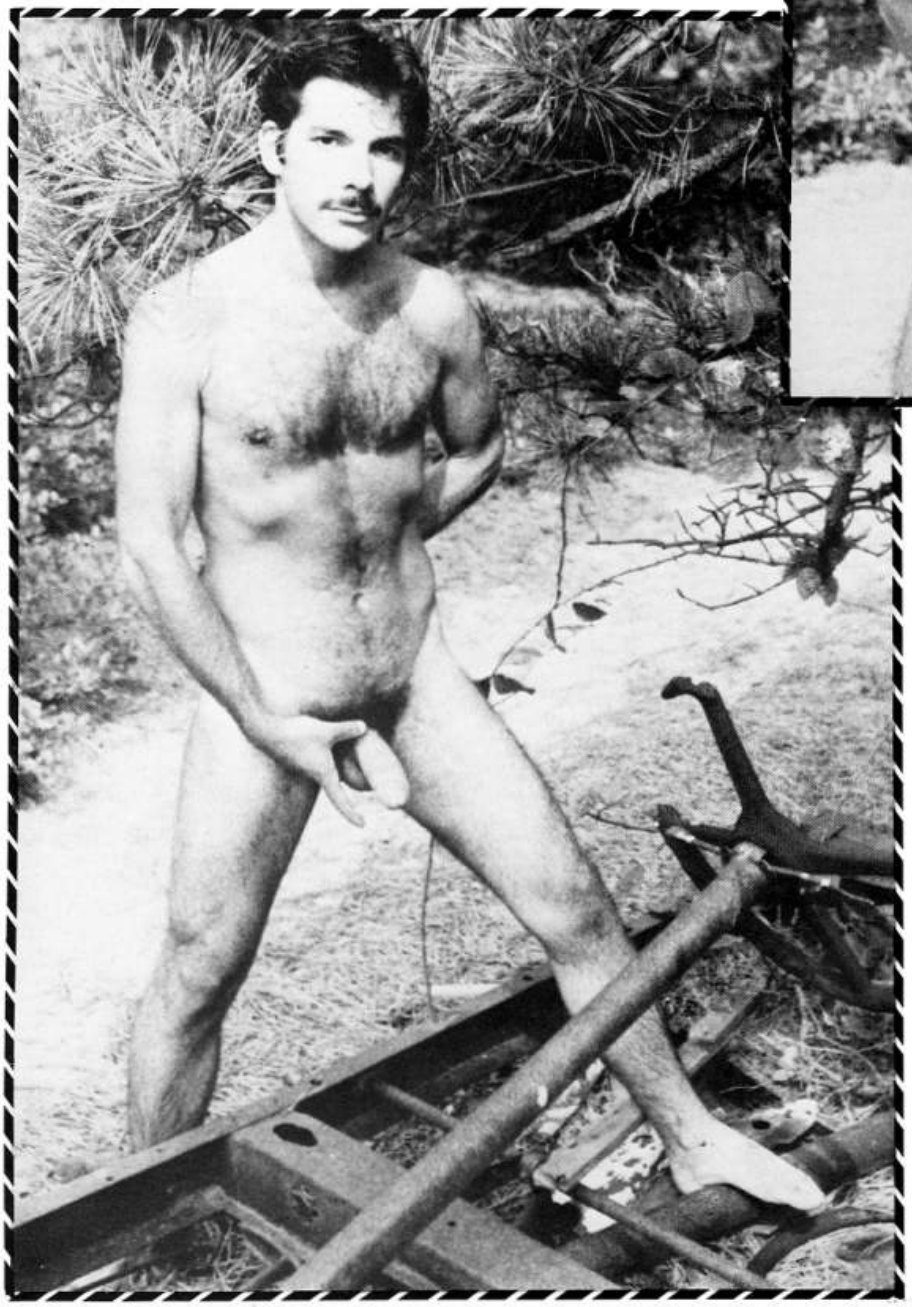
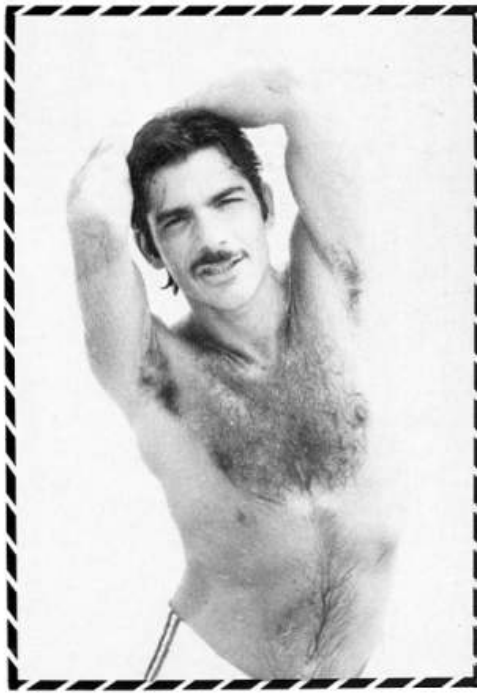
DAMIEN

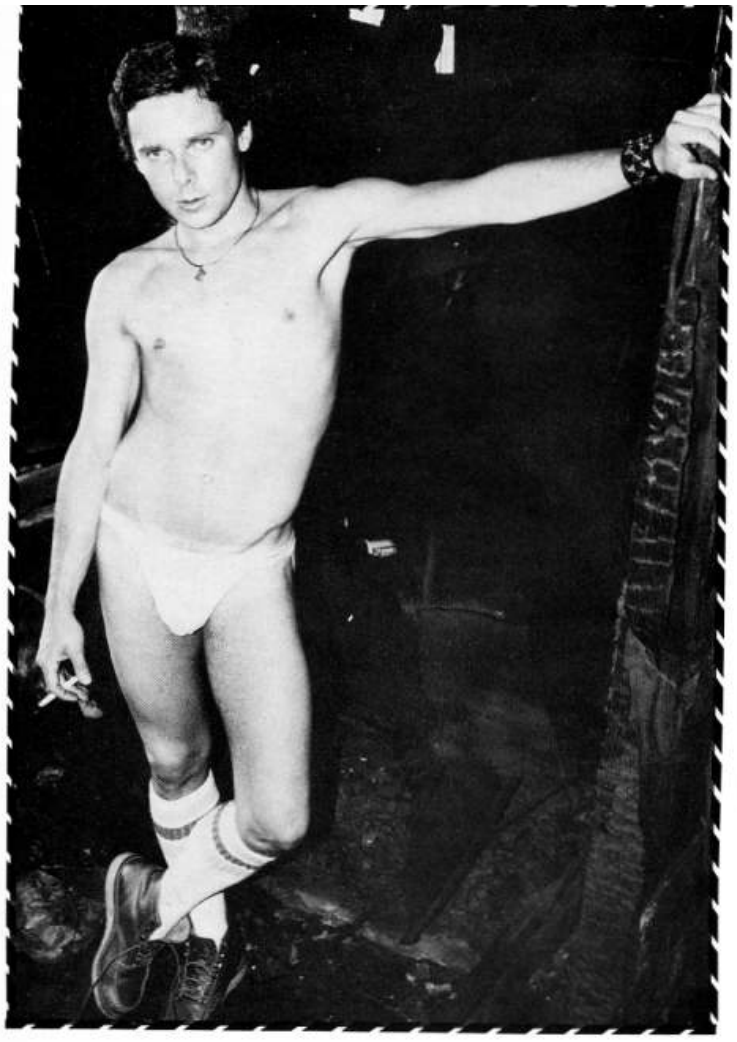
DAMIEN CHARLES is our first star (also featured in our "Cocks At Their Best Vol. 1" & "New York Studs" mags) Our discovery has graced the covers of mags worldwide & has a loyal fan following. He's known for his super eatable & fuckable tush & a limitless sex drive.

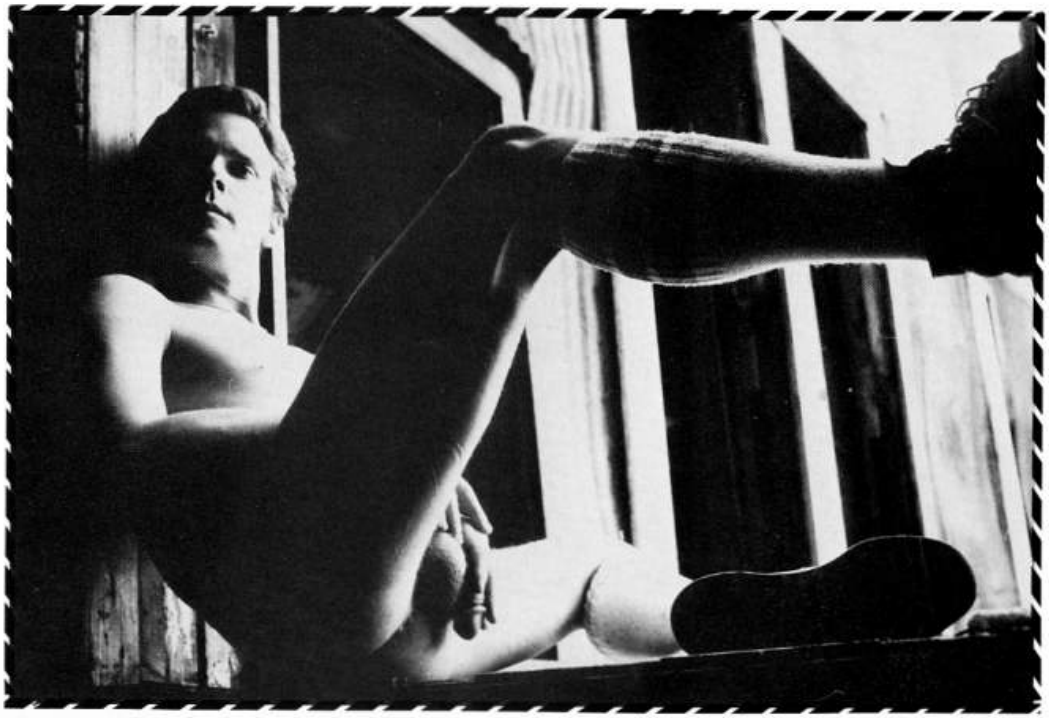
←DAVE

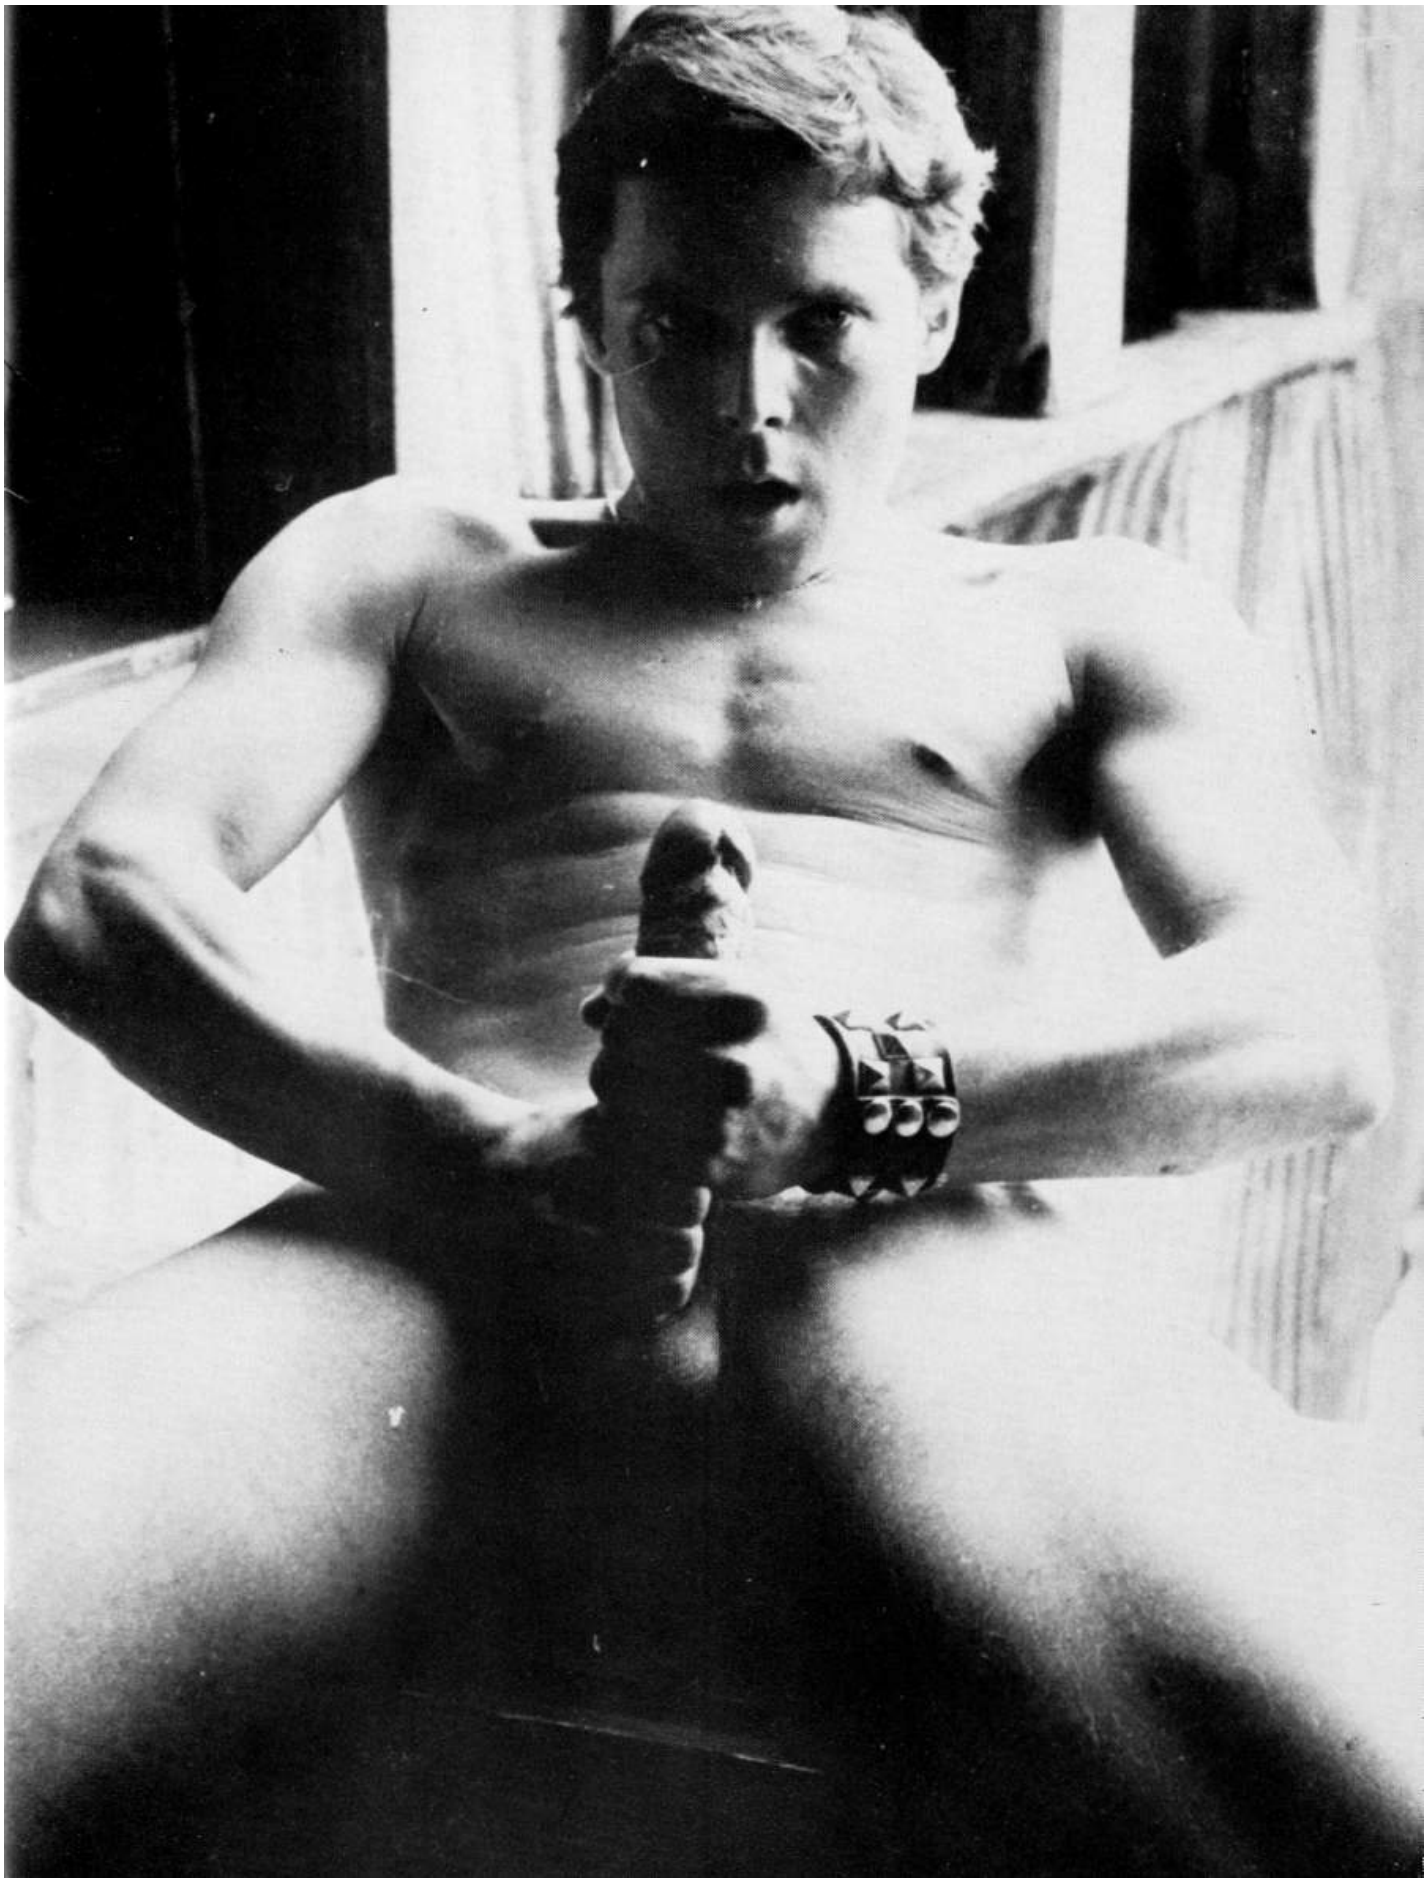
His friend DAVE knows how to keep him happy with the massive structure between his legs.

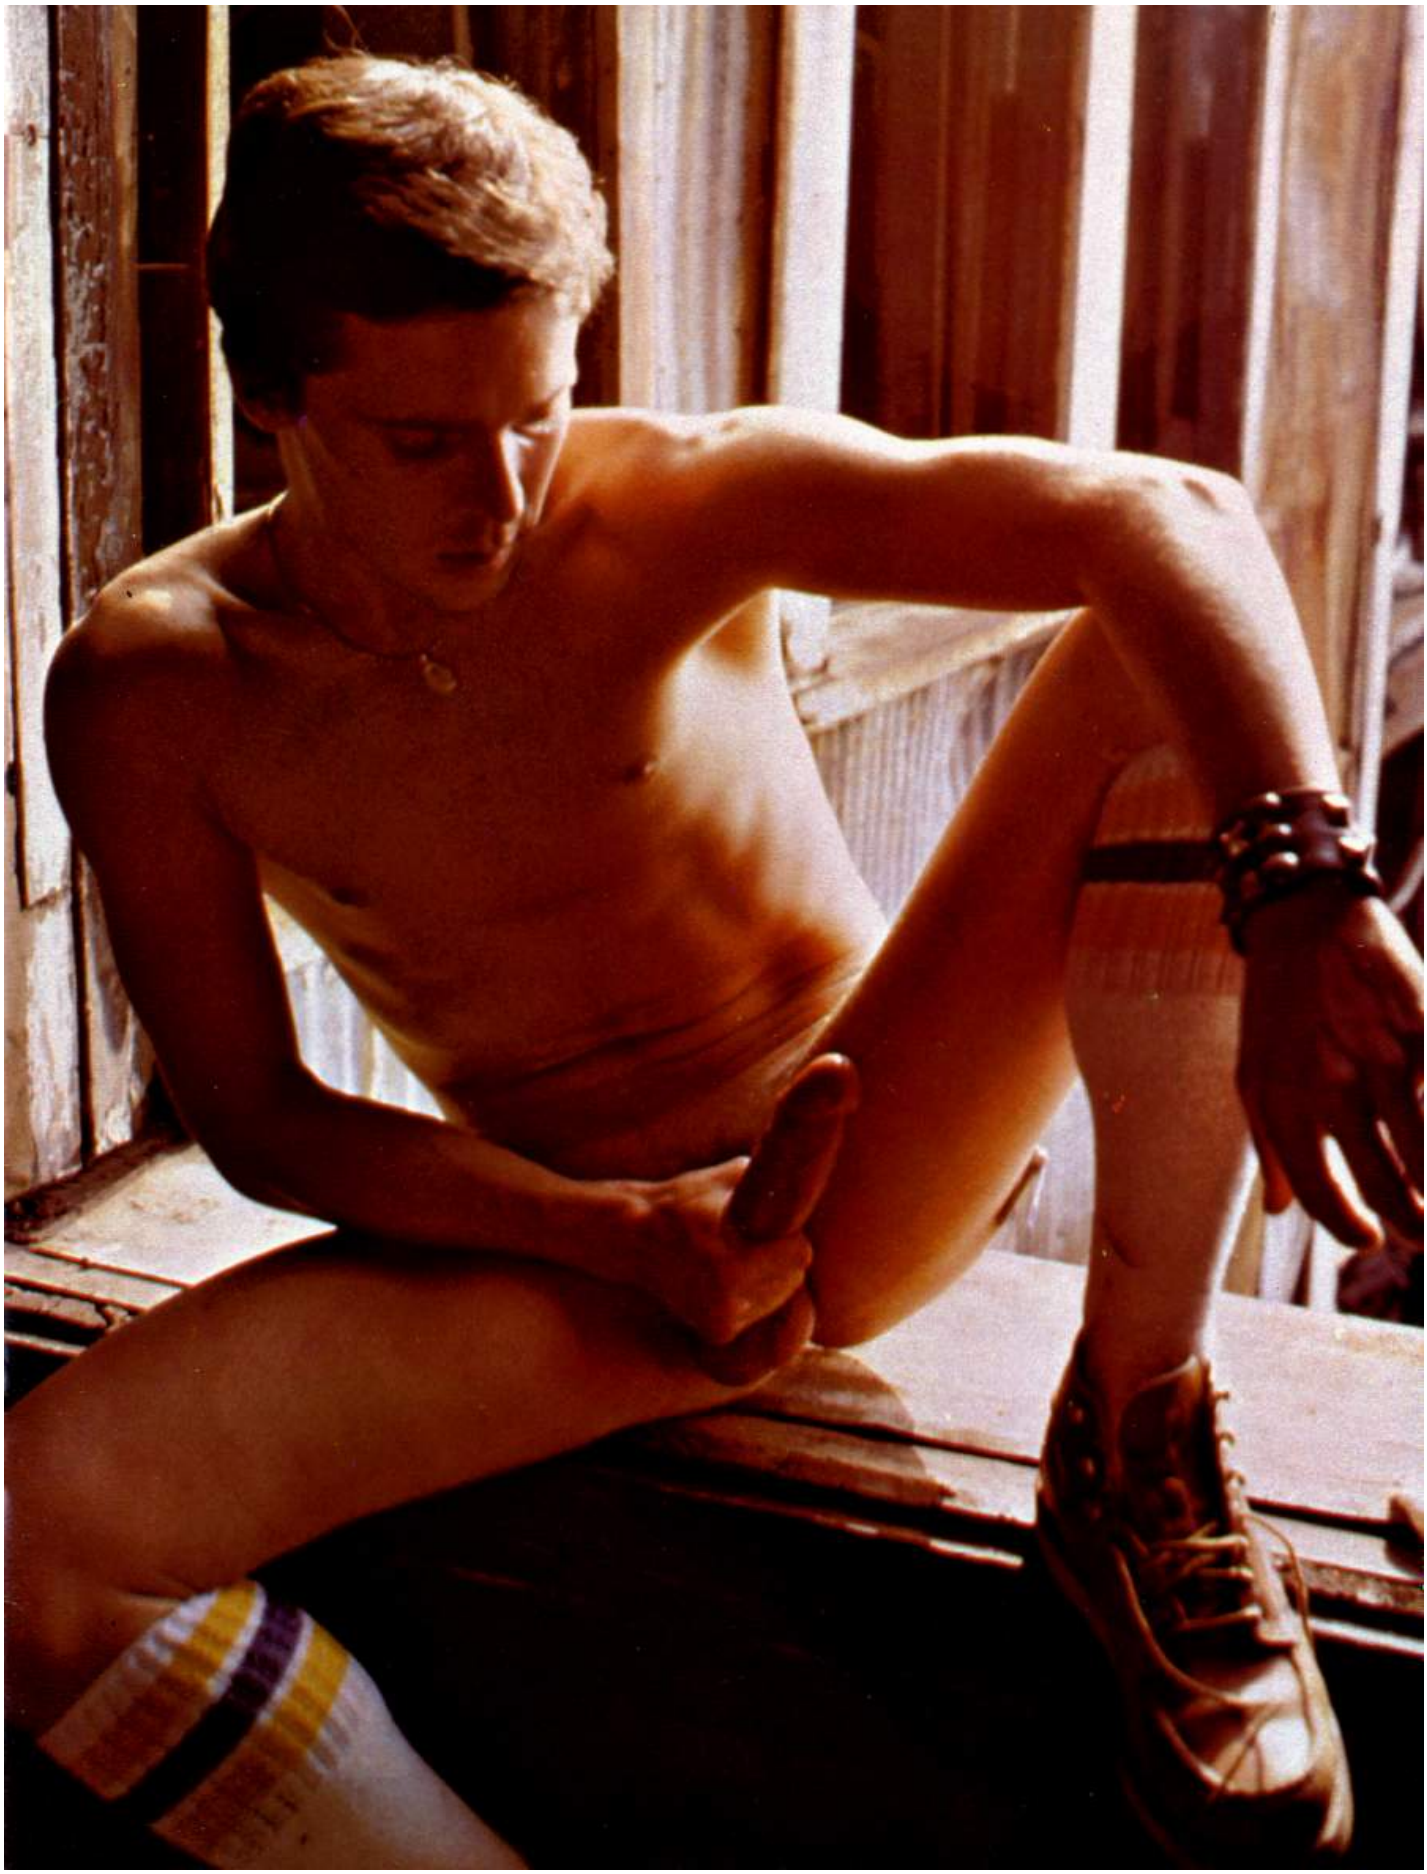


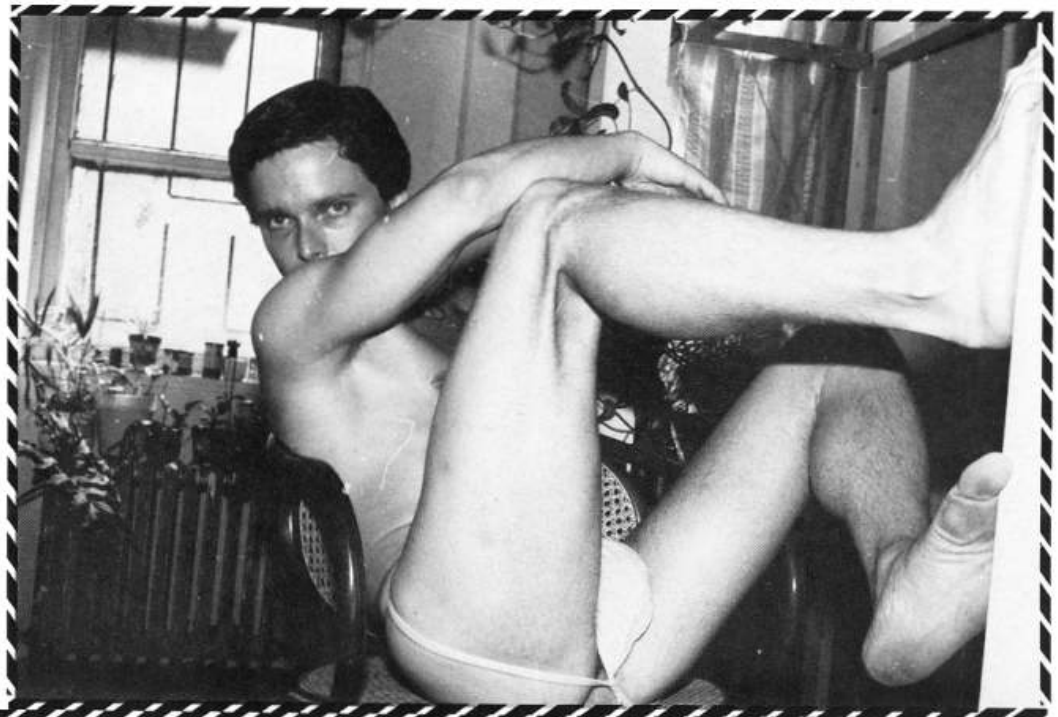


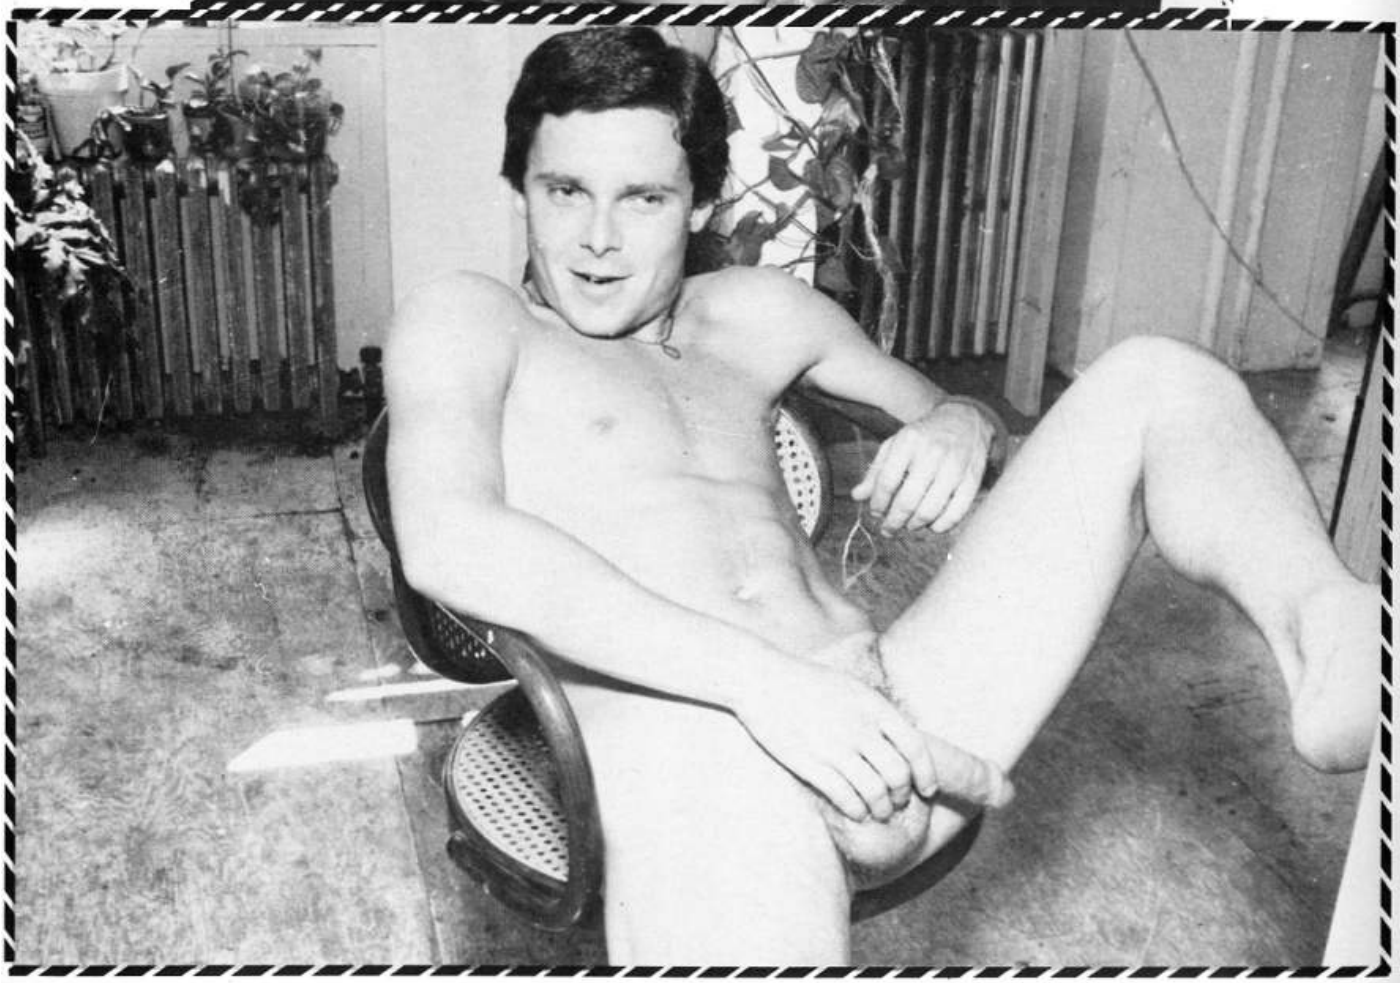


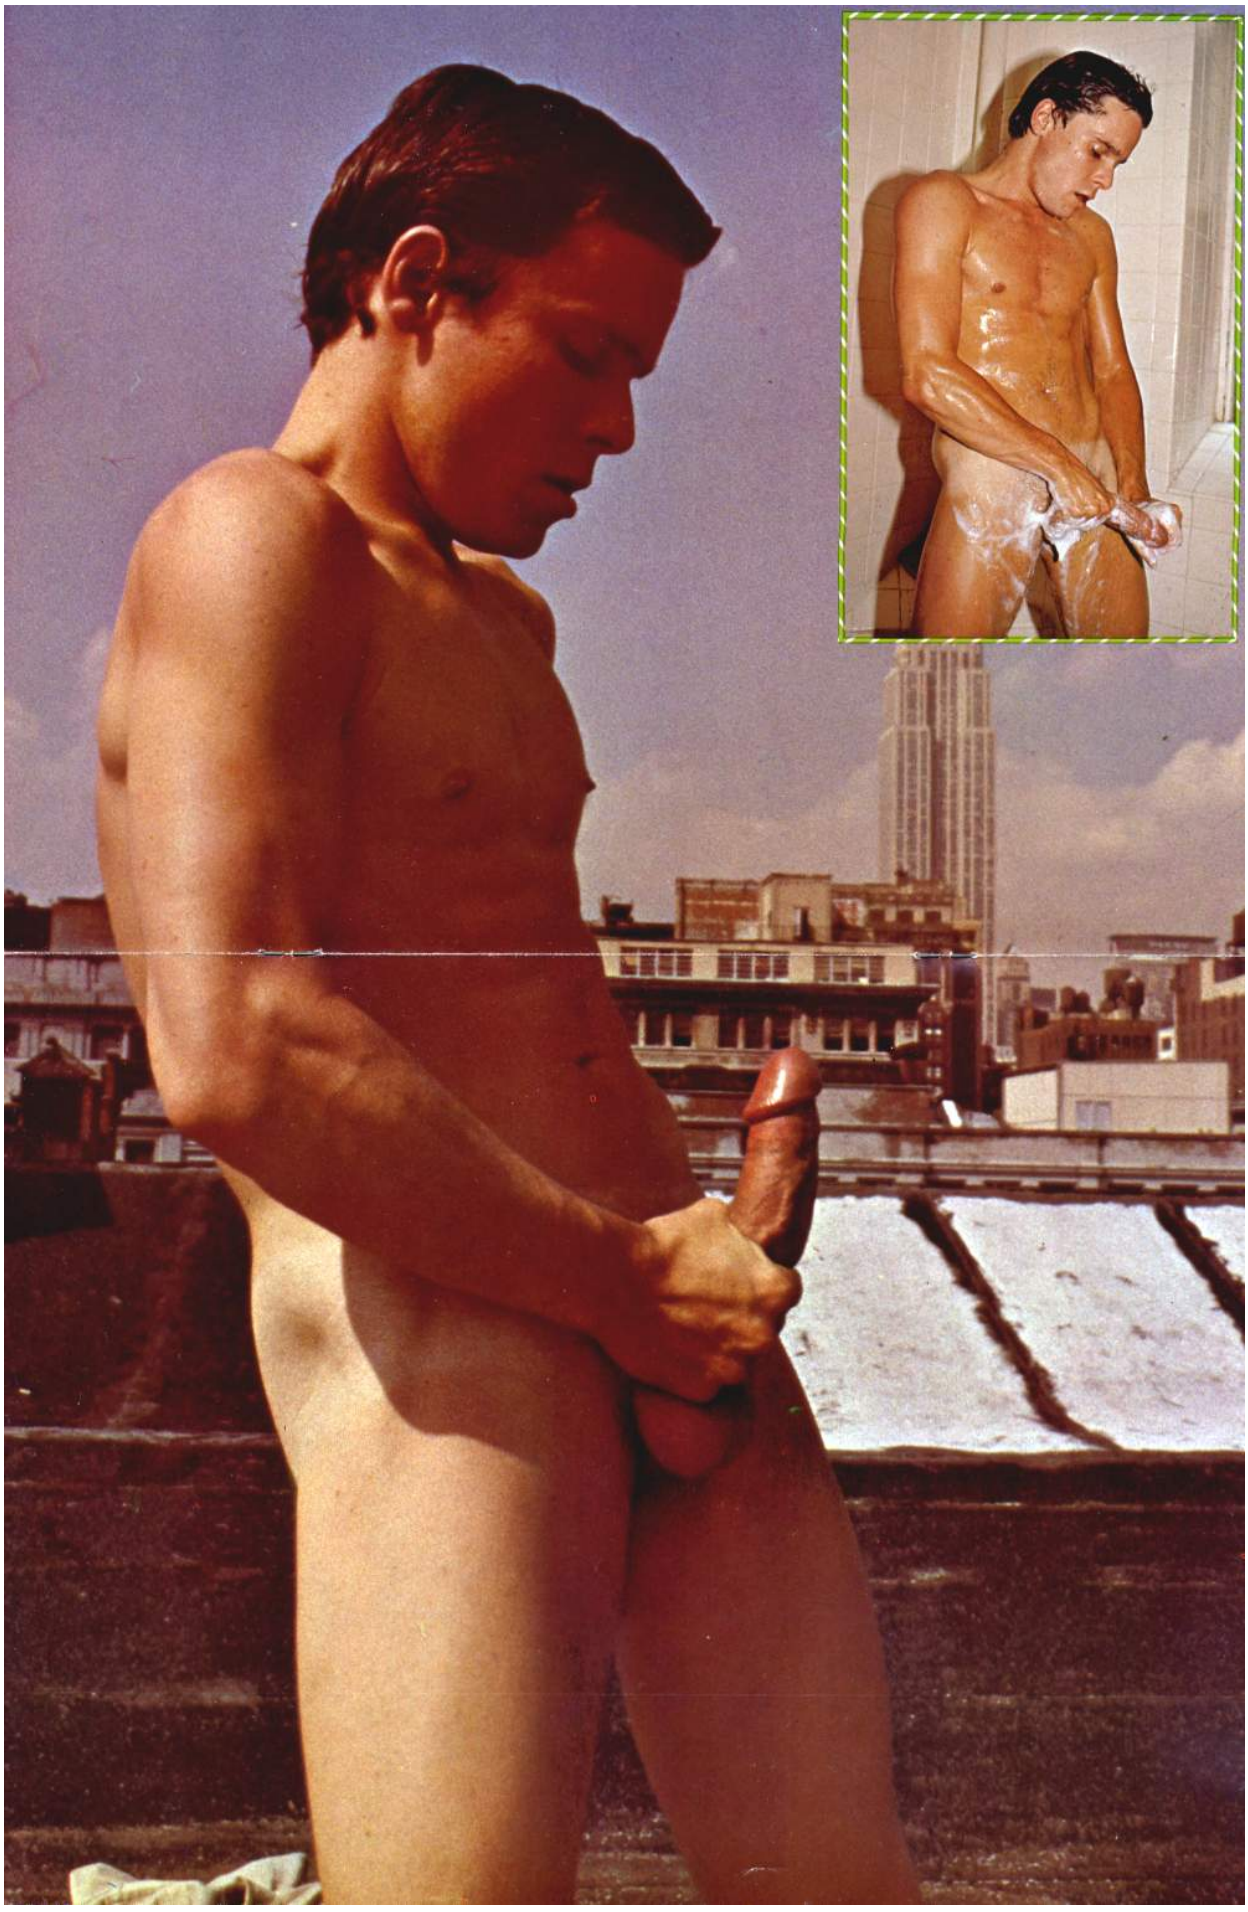


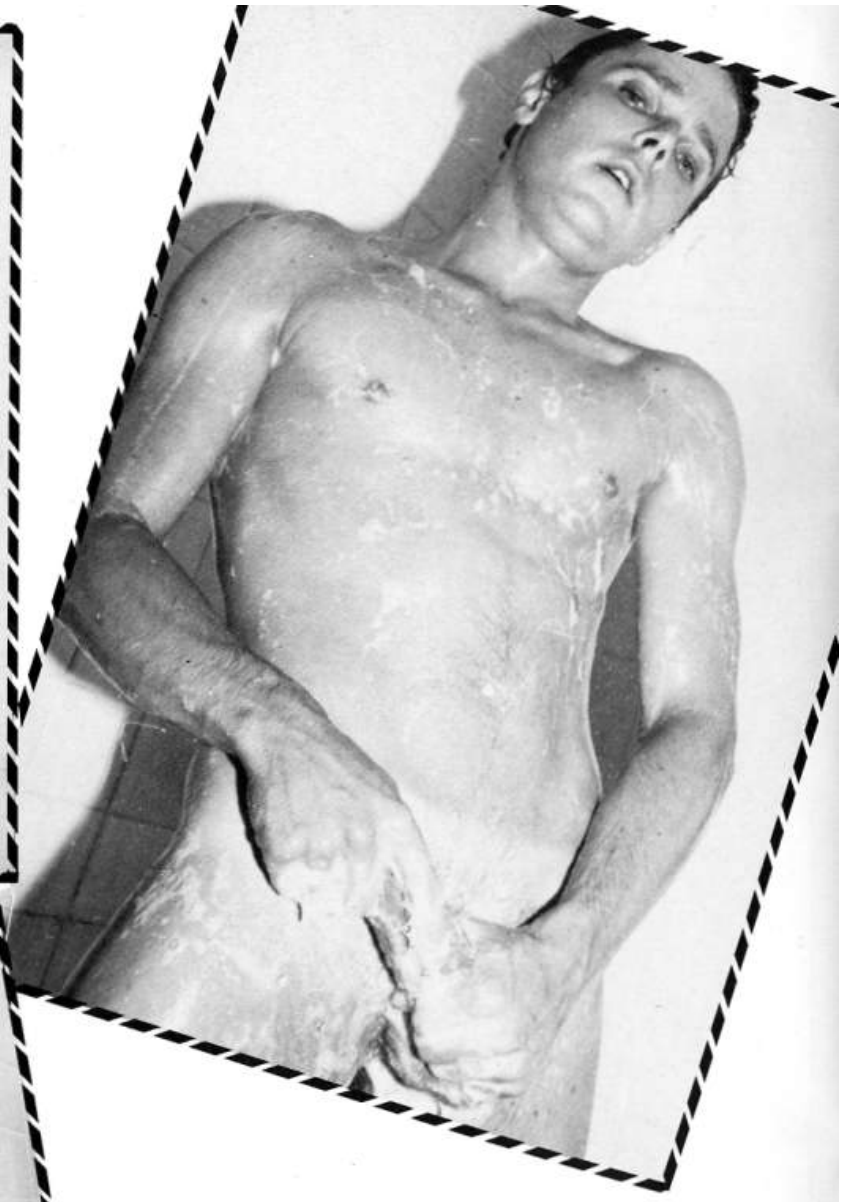






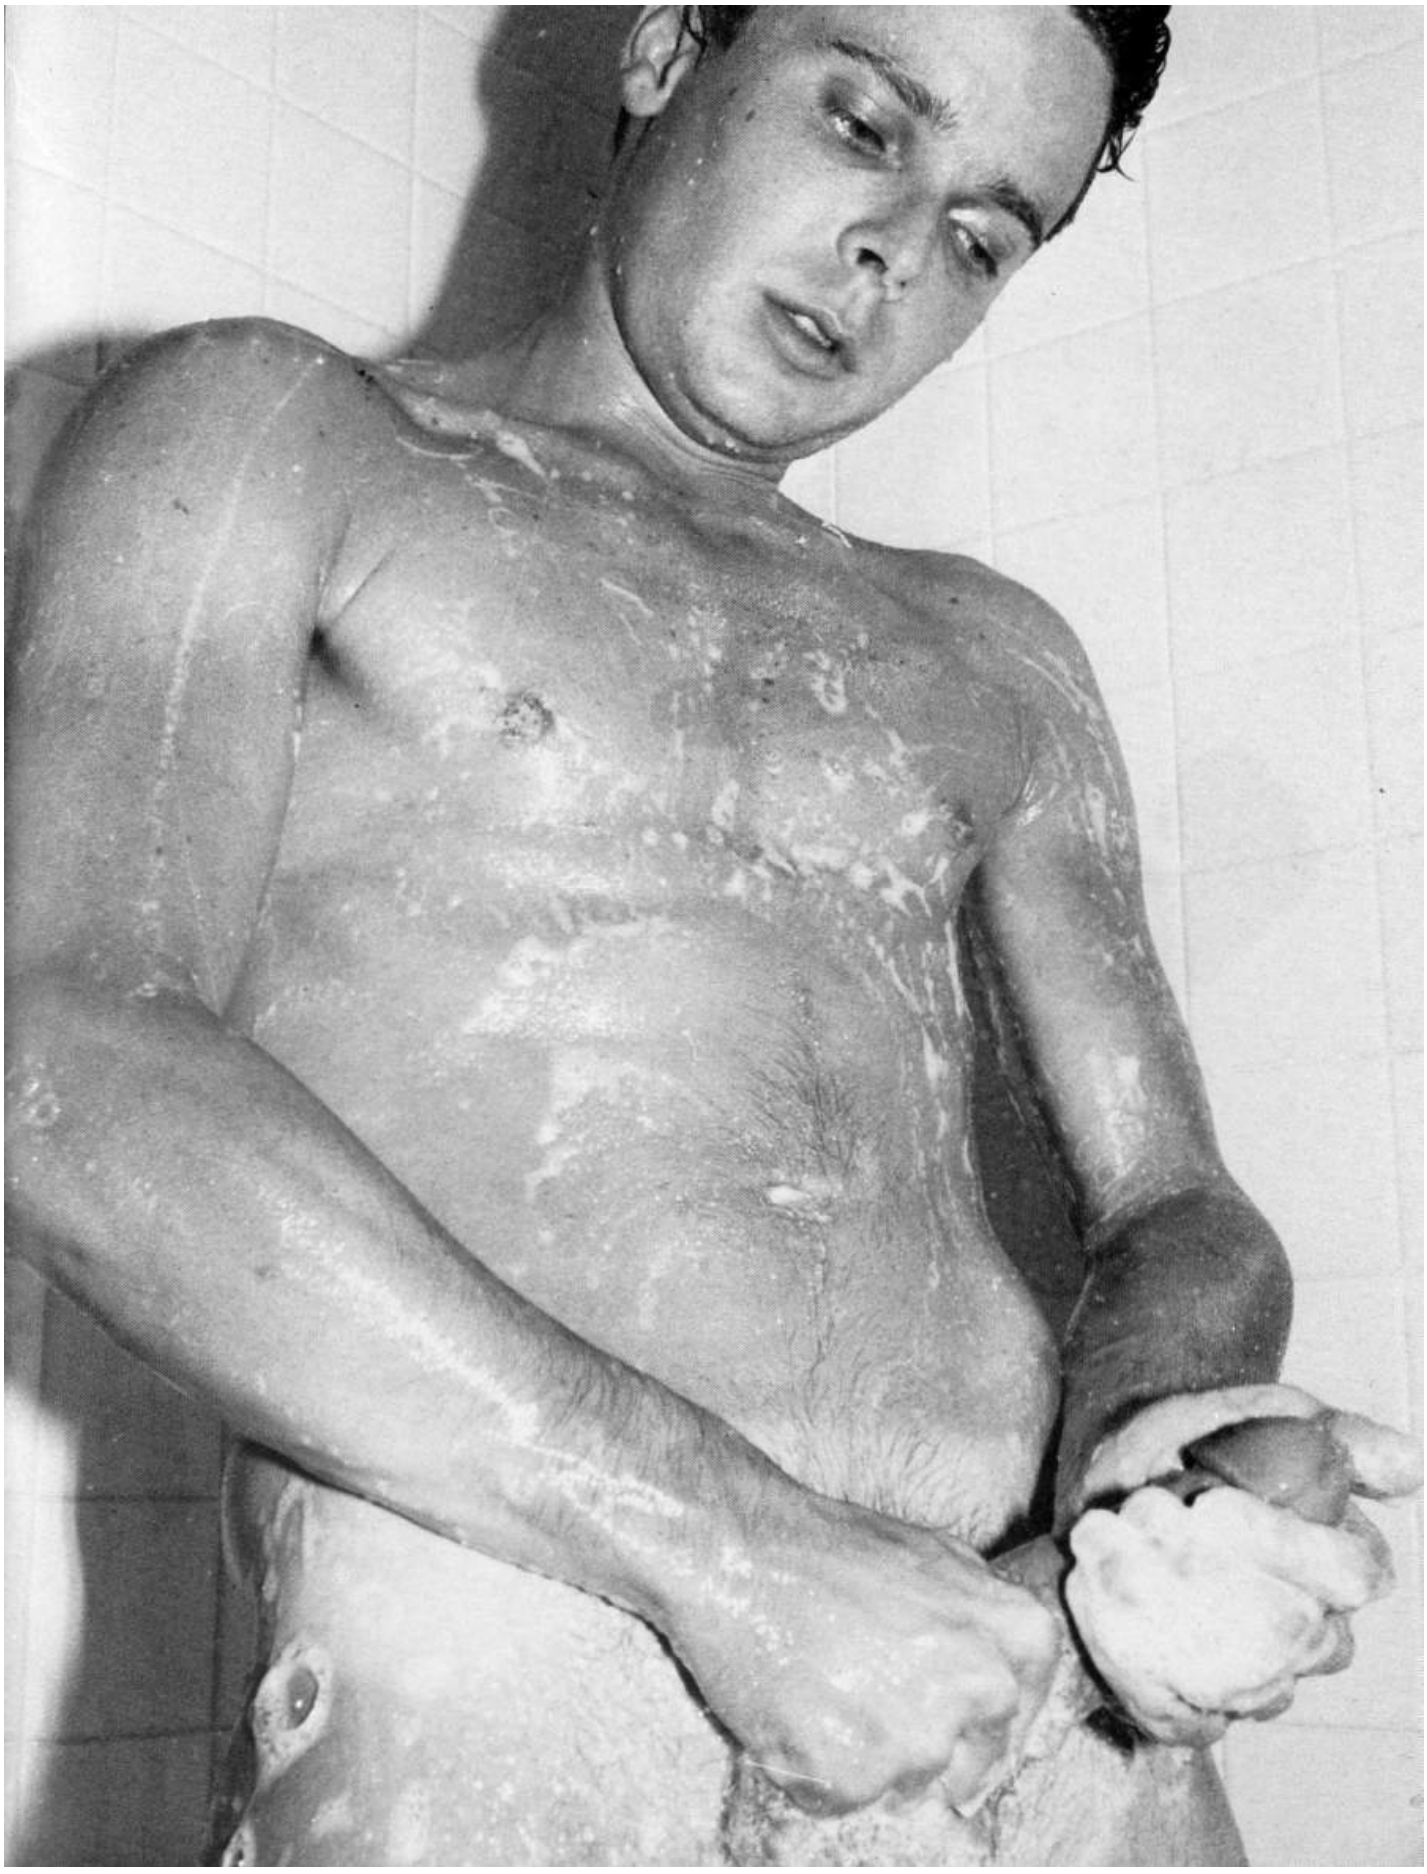


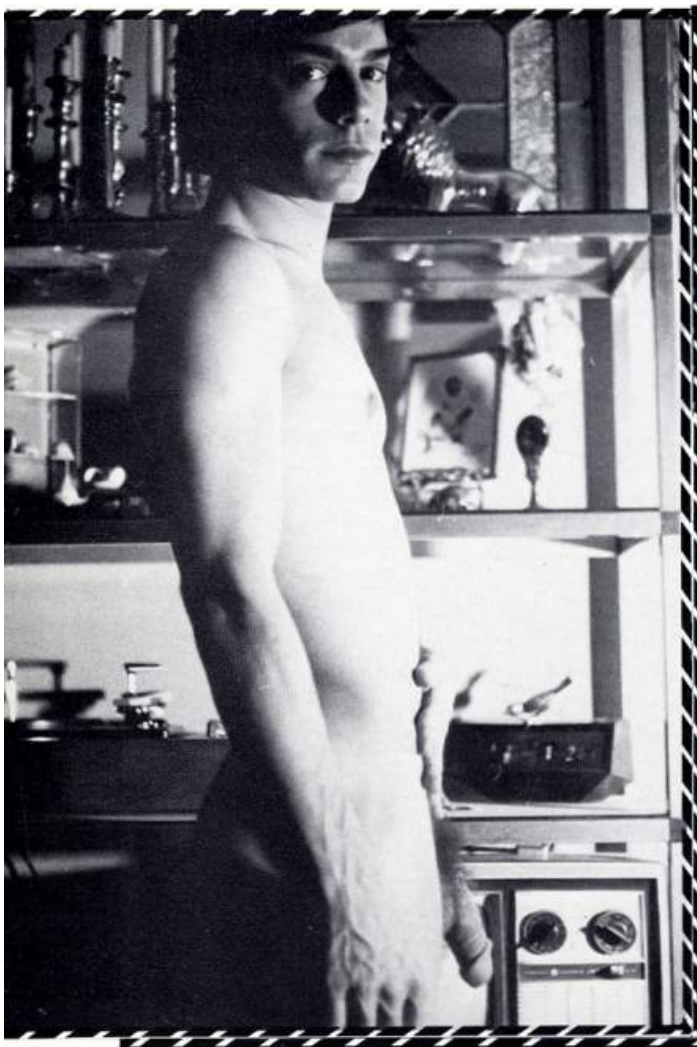


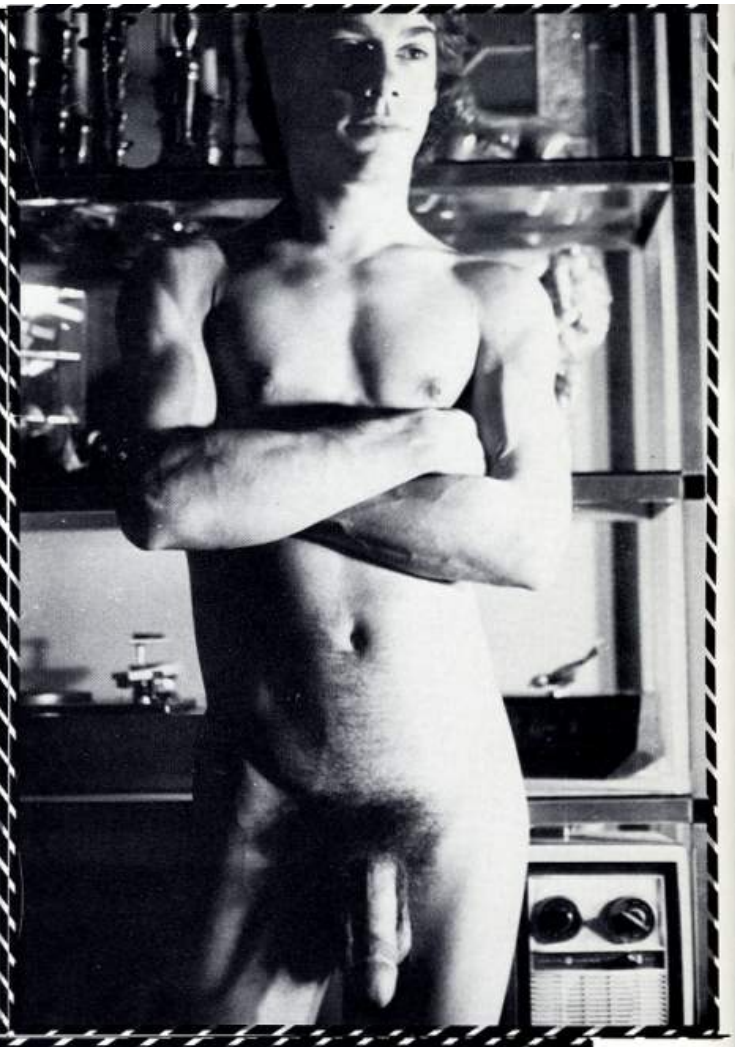


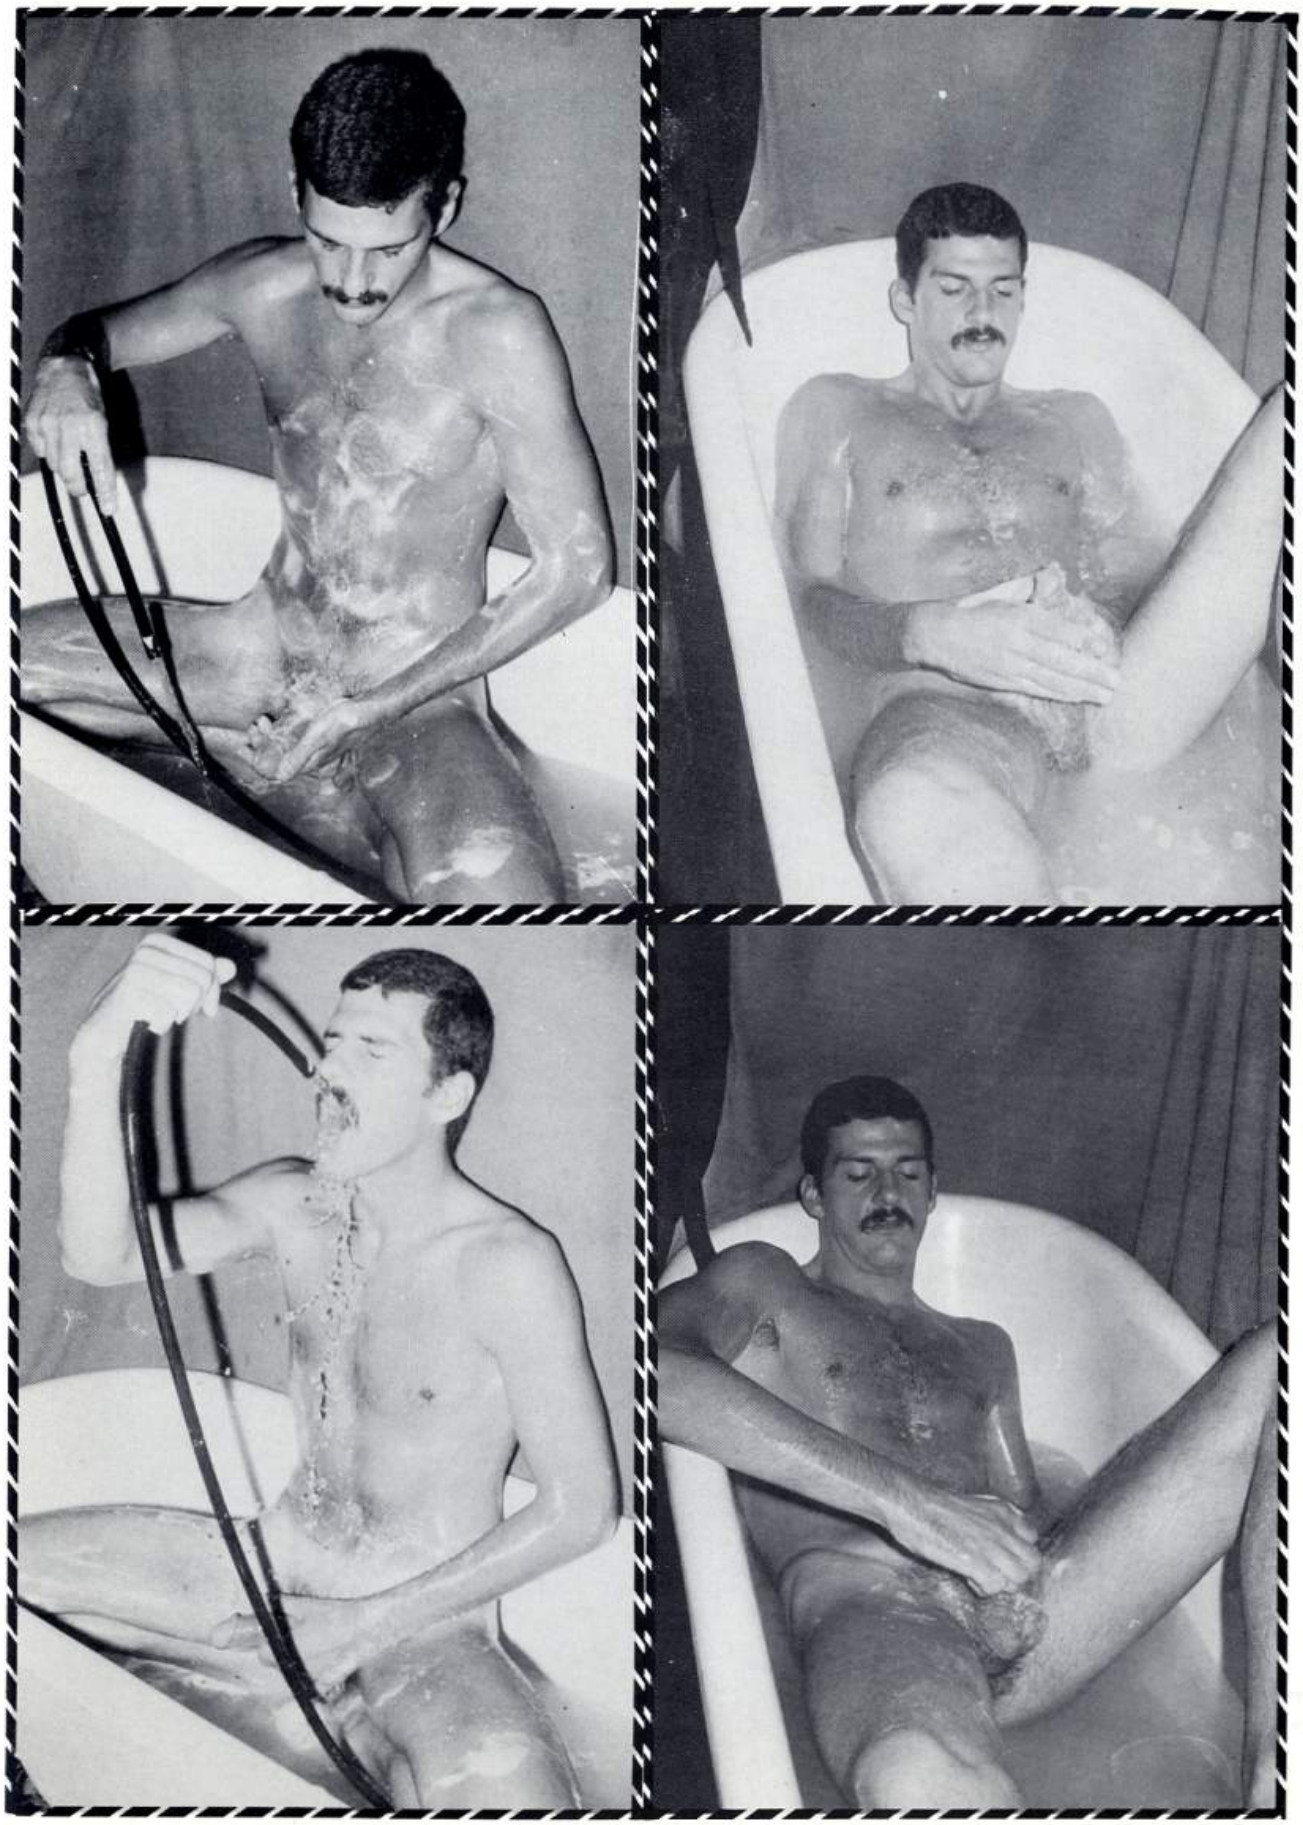
ALAN RICHARDS was the first official MAN-AGE model & became a big hit overseas as Damien Charles' lover. The two sizzled on the cover & inside layout of Sweden's REVOLT magazine. The two wrote up their first meeting for California's IN HEAT magazine & they became a hot item in NYC. He retired from the spotlight to wander the country but returned early this year to resume his career. New pix are being done but meantime MAN-AGE debuts the original sessions here. He stands 5ft.4½, 130 lbs., brown hair & green eyes, 29in. waist, 38in. chest, & his penis goes from 4 to rock hard 7 in a flash. You'll note the similarity between his pride & joy and the Empire State Bldg. (the E.S.B. isn't attached to him in case you couldn't tell which is which).

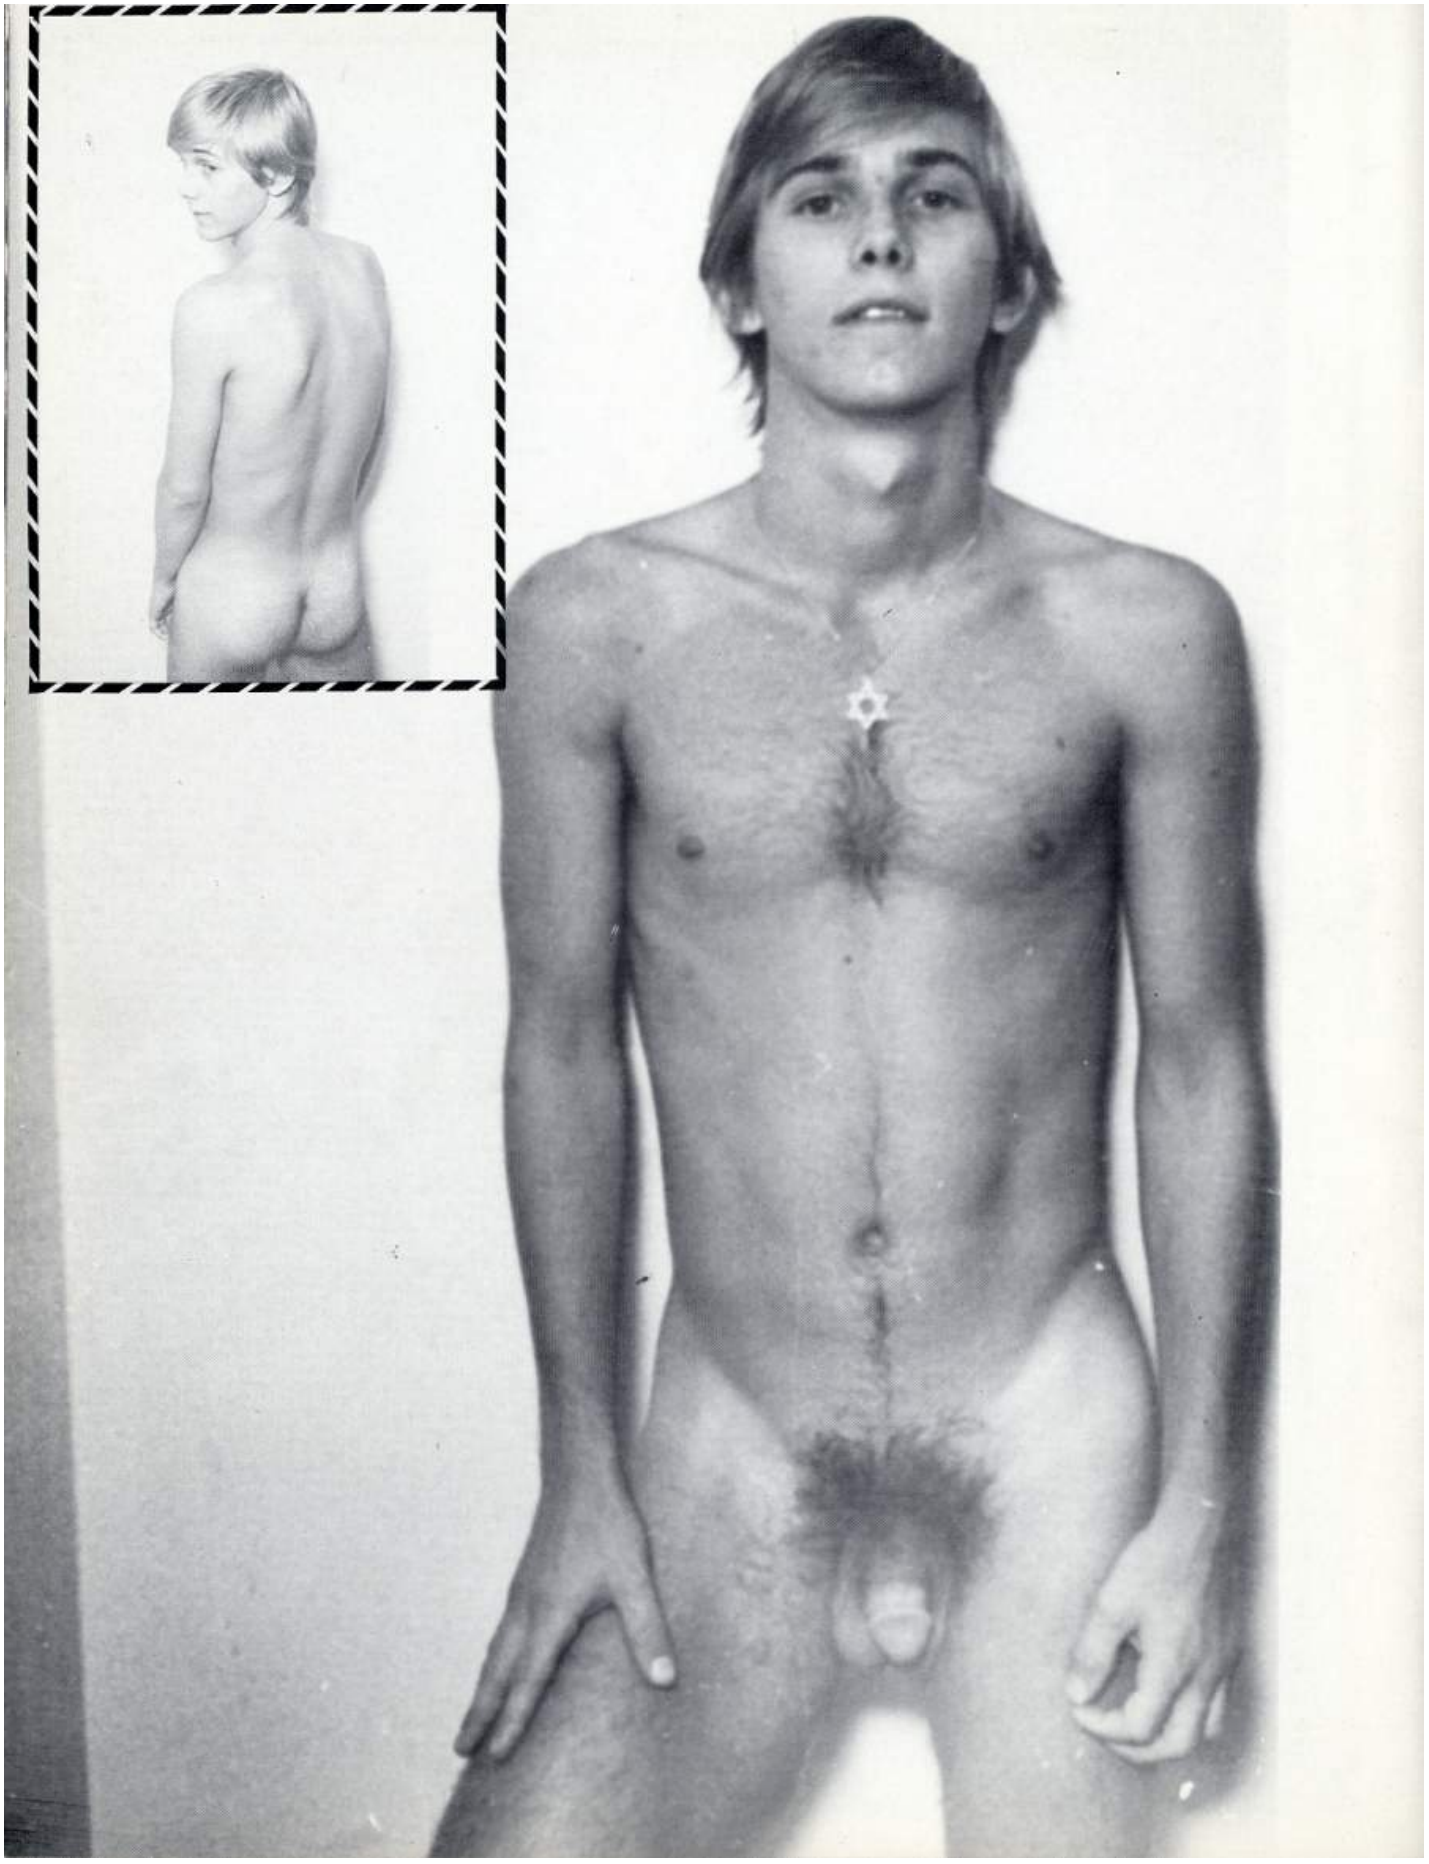
ALAN

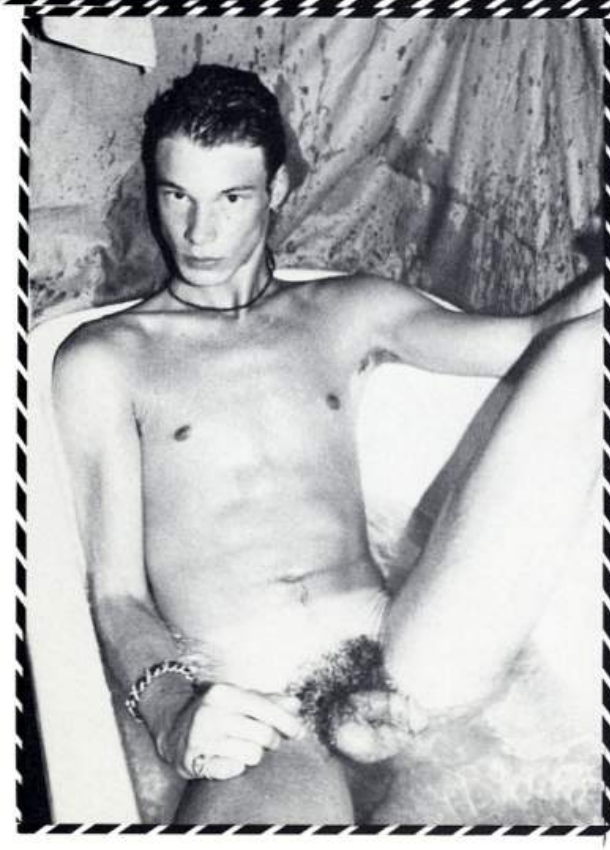


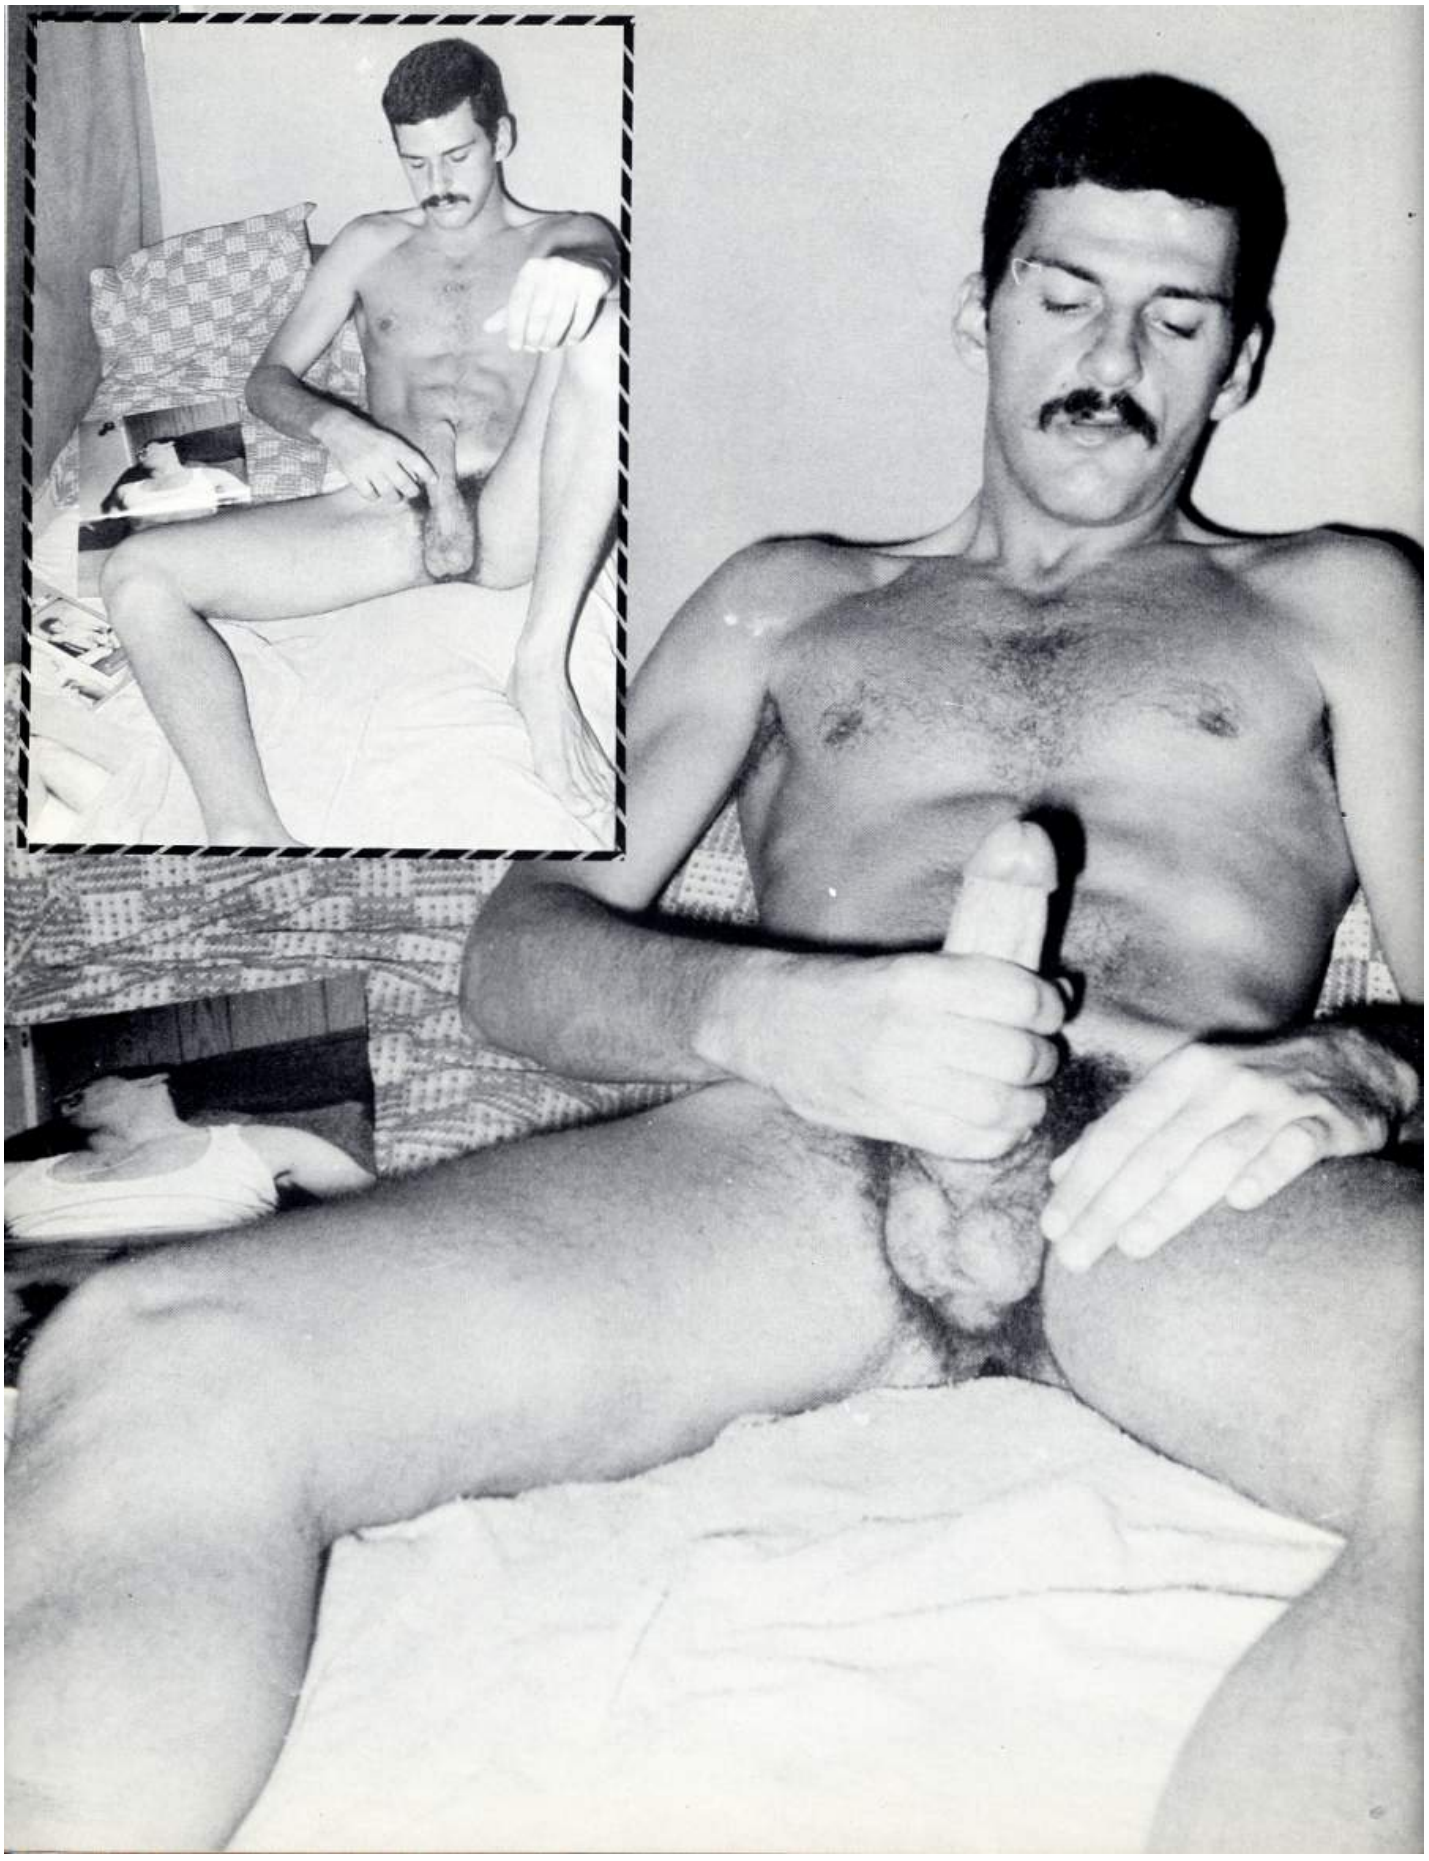




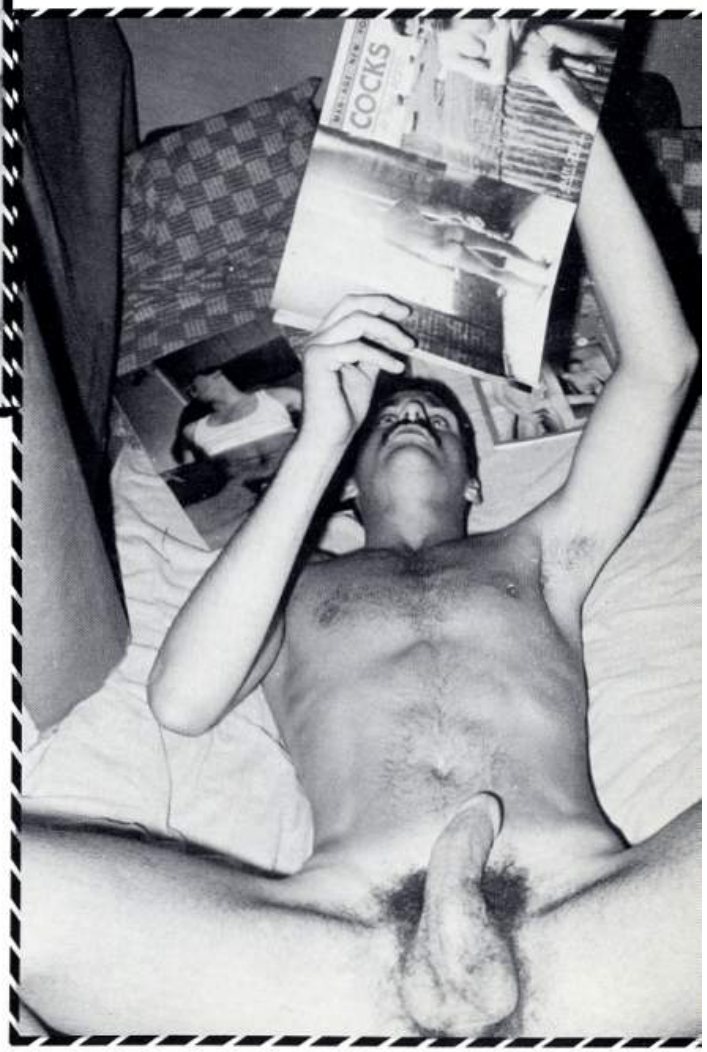






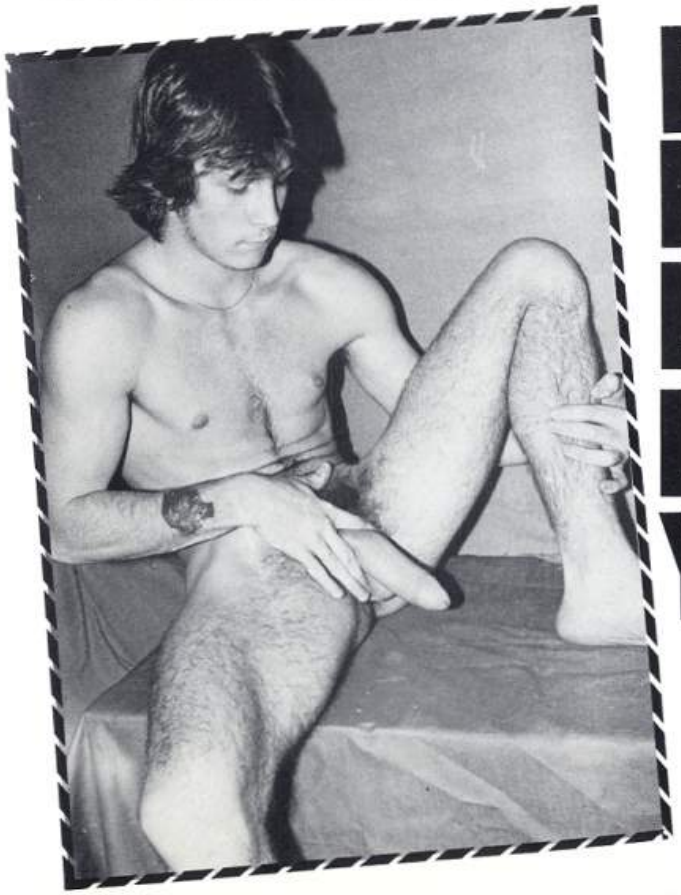


PAT



PAT JOHNSON is a hot young guy from Canada & makes his film debut in Bruce King's "Le Voyeur" for P.M. Productions. He's a stand out in the film with a rimming scene in which his anus takes on a life of its own - wiggles, throbs & blows kisses. Pat is 25 - born on March 21. He's 6ft., 165 lbs., brown hair & blue eyes, a 32in. waist, & his penis rises from 4½ to a hard 9in. He came out at 17 & loves the Gay world.

BILLY



BILLY MATTHEWS is a favorite & MAN-AGE is very excited to h
working with him. He combines boyish charm with pure masculi
sex appeal . A hot young guy in the Joe D'Allesandro mold. Billy
18, 5ft.10, 150 lbs., blond hair & hazel eyes, 30in. waist, & his ve

MAN-AGE star AL RICHARDS debut in JOY STICKS 1 went over so well we decided to really show him off in number 2. One error though, that super suckable penis is 8 not 6 inches long when hard. We goofed last issue. Check him out in a leather harness ready to respond to your every desire! MAN-AGE star Damian Charles is shown servicing the tool he loves to be fucked by (wouldn't you?) On a Manhattan roof top Al does a sexy strip out of uniform & really shows how HUGE his penis is when soaped up in the shower. In a burned out warehouse Al makes you wonder if it's his heat that incinerated it! He loves fan mail so his fans should feel free to write. More on Al to come!

MAN-AGE JOY STICKS

MAN-AGE Studios *came into being in the summer of* ***1978*** *when friends of his said he could no longer use his own name. A formal studio name would have more prestige. The name was created by Barbara Ross, the incredibly talented art director who devised the great look of Dilettante/Mandate & then got royally screwed out of getting credit by the incredibly talent less John Devere.* **MAN-AGE** *wanted this stated as he loves Barbara dearly & is still angry about the lack of recognition she has gotten!*

Models for the studio have come from many sources. Cast members of ***"Let My People Come"****, like the adorable* ***JOE JONES****, posed. Strippers from a mid-town strip joint were a primary source for a time in the late 70s (notable for the request from the strippers not to mention the place as they didn't want to give press to the cheap bull Dyke who owns it.) Some came from ads placed in "Where It's At" magazine - now long gone. While a number of the guys who posed were hustlers there were also actors, dancers, an architect, a carpenter, a comic, etc. & a number of hot guys who just wanted to fulfill a fantasy. Like* ***CHAMPION,*** *most of the models only posed for* ***MAN-AGE****. Erotic film Star* ***KEITH ANTHONI*** *posed only for* ***MAN-AGE*** *(the exceptions being stills for films he did) from the time just after his debut in* ***Hand-in- Hand****'s "Catching Up" till 1980 when he headlined the new strip house* ***THE SHOW PALACE****.* ***MAN-AGE*** *discovered* ***ROY GARRETT*** *(he used the name Roy Glarrett then changed it),* ***SCORPIO*** *(to their eternal regret!),* ***PAUL DiROSA*** *(who had his named changed to* ***SERGIO CANALLI*** *when he did films),* ***LEE RICHARDS****, &* ***DAMIAN CHARLES****. Their discovery* ***TOMMY WILDE*** *gave* ***Glenn M. Turner's STARS magazine*** *it's two biggest selling issues & launched a million fantasies. They followed with brother* ***GARY WILDE*** *who did 3 non-MAN-AGE videos including "Kip Noll's Casting Couch".*

MAN-AGE *formally closed shop in 1991, though 1989 was the last year pictures were created. He got to work with* ***DANNY BROWN****, the best actor ever to grace the erotic screen (with beautiful feet that have a fan club unto themselves). Danny was second only to Kip Knoll in star quality & he still adores him (and would like to know where he is!). He had the honor of working with the late* ***JAKE CORBIN****, the sweetest, warmest young man you could ever hope to meet. Both these guys had a professionalism, love of erotic films, talent & super personalities. These qualities are very rare in the business hence the special mention. They,* ***BILLY MATTHEWS, MATT JEFFRIES, PAUL DiROSA, LEE RICHARDS, DAVY YOUNG, TONY MARINO, DALE PETERS, JET HALL, CHUCK MANN, DANIEL HOLT, CHUCK SCHAAR, CHRIS MICHAELS, KEVIN JAMES & KEITH ANTHONI*** *head the list -looking back- of the guys MAN-AGE most treasures having worked with.* ***The top of the list though belongs to GENE THOMAS, his greatest love - lost to misunderstanding, cowardice, & stupidity. Don't ever be afraid to tell someone who's very being you worship that you love them.***

The ARCHIVE is a non-profit research foundation created to gather as much information as possible on the individuals who have posed nude or have performed in Gay erotic films & videos. Our primary research area is in those who worked in the 50s, 60s & early 70s . . .the "Golden Age". Those who worked in various eras & those who have worked actively over a number of years have very important information about an industry with a history shrouded in mystery. No one has bothered to collect raw facts, interviews, letters, etc. to piece together this history. Those who worked 10 or more years ago have the ability to evaluate how posing or performing affected their lives. Till now the public has only heard the warped ravings of the far-right, the clergy & similar ilk about how involvement in erotica destroys those involved. None of this of course is based on any facts.

We hope **The ARCHIVE** *will be a solid research facility & will inspire performers to write their autobiographies. The amount of knowledge that has been lost by the deaths of Milo, Blade, Bruce of L.A., Bob Mizer, Burt Edwards, J. Brian, etc. is incalculable. It's a part of our history & heritage lost forever. We're going to do our best to gather everything we can & preserve it for future generations.*

We are actively seeking models/actors who posed or performed in Gay erotic films 1950-1980 for interviews. We have no desire in infringing on your privacy. The interviews are not for publication. They are used to gather hard facts concerning you as a person & on the work you did. We are esp. interested in locating: **RAY FULLER, SEAN PATRICK, RMX's DONNY RUSSELL & NICKEY THOMPSON, MORE & Co"s MICKEY & MARCUS, MONTE HANSON, BRIAN IDOL, EVERETT "CHEROKEE" JACKSON, DANNY ALBERT/JIM BURKE, RICK JULE, BOBBY KROPP, JOE MARKUM, RONNIE MILLS, BOBBY PELL, ERNIE NIEMI, JOHNNY NOGAR, ROD STEVENS, The CHRISTY TWINS, JIM & RICHARD CONREY, JOHNNY CONNELLY, ALAN CORRVEAU, MIKE NORLAN, RICK SHAMBLIN, DANNY SILVER, MARTY STEVENS, TONY RIVERS, MARK SANGER, DUKE RICHARDS, TOMMY QUIST, JIM PARIS, RANDY RYDER,** *and any of the models who posed for: Lyric, More & Co., DOM, BDR, Bruce of L.A., Milo, & Champion.* ***WE STRESS WE ARE LOOKING FOR THESE PEOPLE NOT PHOTOS. SOME OF THESE GUYS WERE UNDER 18 WHEN THEY POSED.*** *We know a number of these guys are dead. If you have an obit or can provide us with any information it will be greatly appreciated.*

We are also seeking any written matter created by models, photographers or publishers of the period. This includes letters, diarys, postcards, notes, model releases, etc. that can shed some light. Quality photo copies are fine. We would like to obtain photographs of the models in everyday life from birth to death. Pictures of the great photographers are also requested.

Anything contributed will NOT be sold or given away. All contributions will be preserved & used for research.

The name was created by Barbara Ross, the incredibly talented art director who devised the great look of Dilettante/Mandate & then got royally screwed out of getting credit by the incredibly talent less John Devere.* **MAN-AGE** *wanted this stated as he loves Barbara dearly & is still angry about the lack of recognition she has gotten!*

Models for the studio have come from many sources. Cast members of ***"Let My People Come"****, like the adorable* ***JOE JONES****, posed. Strippers from a mid-town strip joint were a primary source for a time in the late 70s (notable for the request from the strippers not to mention the place as they didn't want to give press to the cheap bull Dyke who owns it.) Some came from ads placed in "Where It's At" magazine - now long gone. While a number of the guys who posed were hustlers there were also actors, dancers, an architect, a carpenter, a comic, etc. & a number of hot guys who just wanted to fulfill a fantasy. Like* ***CHAMPION****, most of the models only posed for* ***MAN-AGE****. Erotic film Star* ***KEITH ANTHONI*** *posed only for* ***MAN-AGE*** *(the exceptions being stills for films he did) from the time just after his debut in* ***Hand-in- Hand****'s "Catching Up" till 1980 when he headlined the new strip house* ***THE SHOW PALACE. MAN-AGE*** *discovered* ***ROY GARRETT*** *(he used the name Roy Glarrett then changed it),* ***SCORPIO*** *(to their eternal regret!),* ***PAUL DiROSA*** *(who had his named changed to* ***SERGIO CANALLI*** *when he did films),* ***LEE RICHARDS****, &* ***DAMIAN CHARLES****. Their discovery* ***TOMMY WILDE*** *gave* ***Glenn M. Turner's STARS magazine*** *it's two biggest selling issues & launched a million fantasies. They followed with brother* ***GARY WILDE*** *who did 3 non-MAN-AGE videos including "Kip Noll's Casting Couch".*

MAN-AGE *formally closed shop in 1991, though 1989 was the last year pictures were created. He got to work with* ***DANY BROWN****, the best actor ever to grace the erotic screen (with beautiful feet that have a fan club unto themselves). Dany was second only to Kip Knoll in star quality & he still adores him (and would like to know where he is!). He had the honor of working with the late* ***JAKE CORBIN****, the sweetest, warmest young man you could ever hope to meet. Both these guys had a professionalism, love of erotic films, talent & super personalities. These qualities are very rare in the business hence the special mention. They,* ***BILLY MATTHEWS, MATT JEFFRIES, PAUL DiROSA, LEE RICHARDS, DAVY YOUNG, TONY MARINO, DALE PETERS, JET HALL, CHUCK MANN, DANIEL HOLT, CHUCK SCHAAR, SYDNEY SOONS, RICKY RIVERA, CHRIS MICHAELS, KEVIN JAMES & KEITH ANTHONI*** *head the list -looking back- of the guys MAN-AGE most treasures having worked with.* ***The top of the list though belongs to GENE THOMAS, his greatest love - lost to misunderstanding, cowardice, & stupidity. Don't ever be afraid to tell someone who's very being you worship that you love them. You can survive a "no" a lot better than living with never knowing! To Gene MAN-AGE dedicates all his work & heart.***

The ARCHIVE is a non-profit research foundation created to gather as much information as possible on the individuals who have posed nude or have performed in Gay erotic films & videos. Our primary research area is in those who worked in the 50s, 60s & early 70s . . .the "Golden Age". Those who worked in various eras & those who have worked actively over a number of years have very important information about an industry with a history shrouded in mystery. No one has bothered to collect raw facts, interviews, letters, etc. to piece together this history. Those who worked 10 or more years ago have the ability to evaluate how posing or performing affected their lives. Till now the public has only heard the warped ravings of the far-right, the clergy & similar ilk about how involvement in erotica destroys those involved. None of this of course is based on any facts.

We hope **The ARCHIVE** will be a solid research facility & will inspire performers to write their autobiographies. The amount of knowledge that has been lost by the deaths of Milo, Blade, Bruce of L.A., Bob Mizer, Burt Edwards, J. Brian, etc. is incalculable. It's a part of our history & heritage lost forever. We're going to do our best to gather everything we can & preserve it for future generations.

We are actively seeking models/actors who posed or performed in Gay erotic films 1950-1980 for interviews. We have no desire in infringing on your privacy. The interviews are not for publication. They are used to gather hard facts concerning you as a person & on the work you did. We are esp. interested in locating: **RAY FULLER, SEAN PATRICK, RMX's DONNY RUSSELL & NICKEY THOMPSON, MORE & Co"s MICKEY & MARCUS, MONTE HANSON, BRIAN IDOL, EVERETT "CHEROKEE" JACKSON, DANNY ALBERT/JIM BURKE, RICK JULE, BOBBY KROPP, JOE MARKUM, RONNIE MILLS, BOBBY PELL, ERNIE NIEMI, JOHNNY NOGAR, ROD STEVENS, The CHRISTY TWINS, JIM & RICHARDCONREY, JOHNNY CONNELLY, ALAN CORRVEAU, MIKE NORLAN, RICK SHAMBLIN, DANNY SILVER, MARTY STEVENS, TONY RIVERS, MARK SANGER, DUKE RICHARDS, TOMMY QUIST, JIM PARIS, RANDY RYDER**, and any of the models who posed for: Lyric, More & Co., DOM, BDR, Bruce of L.A., Milo, & Champion. ***WE STRESS WE ARE LOOKING FOR THESE PEOPLE NOT PHOTOS. SOME OF THESE GUYS WERE UNDER 18 WHEN THEY POSED.*** We know a number of these guys are dead. If you have an obit or can provide us with any information it will be greatly appreciated.

We are also seeking any written matter created by models, photographers or publishers of the period. This includes letters, diarys, postcards, notes, model releases, etc. that can shed some light. Quality photo copies are fine. We would like to obtain photographs of the models in everyday life from birth to death. Pictures of the great photographers are also requested.

Anything contributed will NOT be sold or given away. All contributions will be preserved & used for research.

The ARCHIVE is a non-profit research foundation created to gather as much information as possible on the individuals who have posed nude or have performed in Gay erotic films & videos. Our primary research area is in those who worked in the 50s, 60s & early 70s . . .the "Golden Age". Those who worked in various eras & those who have worked actively over a number of years have very important information about an industry with a history shrouded in mystery. No one has bothered to collect raw facts, interviews, letters, etc. to piece together this history. Those who worked 10 or more years ago have the ability to evaluate how posing or performing affected their lives. Till now the public has only heard the warped ravings of the far-right, the clergy & similar ilk about how involvement in erotica destroys those involved. None of this of course is based on any facts.

We hope **The ARCHIVE** *will be a solid research facility & will inspire performers to write their autobiographies. The amount of knowledge that has been lost by the deaths of Milo, Blade, Bruce of L.A., Bob Mizer, Burt Edwards, J. Brian, etc. is incalculable. It's a part of our history & heritage lost forever. We're going to do our best to gather everything we can & preserve it for future generations.*

We are actively seeking models/actors who posed or performed in Gay erotic films 1950-1980 for interviews. We have no desire in infringing on your privacy. The interviews are not for publication. They are used to gather hard facts concerning you as a person & on the work you did. We are esp. interested in locating: **RAY FULLER, SEAN PATRICK, RMX's DONNY RUSSELL & NICKEY THOMPSON, MORE & Co"s MICKEY & MARCUS, MONTE HANSON, BRIAN IDOL, EVERETT "CHEROKEE" JACKSON, DANNY ALBERT/JIM BURKE, RICK JULE, BOBBY KROPP, JOE MARKUM, RONNIE MILLS, BOBBY PELL, ERNIE NIEMI, JOHNNY NOGAR, ROD STEVENS, The CHRISTY TWINS, STEVE TRACY, DUKE RICHARDS, KURT BATEMAN, DON HAWKSLEY, BOBBY KENDALL ("Pink Narcissis"), TROY MacDONALD/MIKE, KELLY WHEAT, BARRY/DANNY MINOR, GARY SIKES, MARTY STEVENS, JON & TERRY SOMMERS, TOM KENT, MIKE STERN, JIM & RICHARD CONREY, JOHNNY CONNELLY, ALAN CORRVEAU, MIKE NORLAN, RICK SHAMBLIN, DANNY SILVER, MARTY STEVENS, TONY RIVERS, MARK SANGER, TOMMY QUIST, *CORY ADAMS*, JIM PARIS, STEVE BOYD, BILLY MARSHALL, RANDY RYDER,** *and* ***any of the models*** *who posed for: Lyric, More & Co., DOM, BDR, Bruce of L.A., Milo, Meticue & Champion.* ***WE STRESS WE ARE LOOKING FOR THESE PEOPLE NOT PHOTOS. SOME OF THESE GUYS WERE UNDER 18 WHEN THEY POSED.*** *We know a number of these guys are dead. If you have an obit or can provide us with any information it will be greatly appreciated.*

We are also seeking any written matter created by models, photographers or publishers of the period. This includes letters, diarys, postcards, notes, model releases, etc. that can shed some light. Quality photo copies are fine. We would like to obtain photographs of the models in everyday life from birth to the time of their death. Pictures of the great photographers are also requested.

Anything contributed will NOT be sold or given away. All contributions will be preserved & used for research.

GUYS INTO POSING NAKED WANTED

Looking for hot, uninhibited guys - 20-35 - wanting to fulfill a fantasy to be a nude model. Guys who are more interested in getting into the head trip of being photographed naked & creating wonderful pictures than they are into the money part. I'm a 40 year old ex-professional photographer who got tired of producing quickie "fast-food" type shitty pictures. Got tired of working with models who couldn't care less about the pictures, wanting only to take the money & run. I want to work with guys who care about the pictures & really get off on being photographed naked & in heat. The modeling fee being an added plus. I want to do interesting, hot, erotic, unusual pictures with some thought behind them. I want to do the explicit male nudes that CHAMPION & AMG once did that hit the nail on the head about how guys love to expose themselves & get off doing it.

I'm not looking for money hungry hustlers, minors or perfect clone types. Not looking for guys who are overweight or "out-of-shape". I'd like guys 6' or shorter as short guys are the hottest. You should have good body tone/definition but you don't have to be perfect. I like sexy, well shaped photogenic feet. You should have a nice butt & I'd prefer guys who are well hung (penis' with weight, style & power). MOST important is a guy's face, all else comes second! Couples are okay but my main interest is solos. Nothing is hotter than a guy making love to himself for the viewer's enjoyment. If you have some fantasy in your head you want to make reality let's go for it.

Send 2 or 3 clear photocopies of legal I.D. (at least one a legal picture I.D. - don't send a copy of a credit card or baptism certificate. Birth certificate is best for one.) These are required under the law to establish that you are a legal adult & not a minor. Plus, a good photo or two of yourself (one should be a face shot & the other a nude or semi-nude) & a letter giving your vital stats (height, weight, hair & eye color, penis size erect, foot, chest & waist sizes, hair & eye color) & why you want to pose. All work is done in NYC so you have to be able to get here. All information is confidential & the pictures can be returned. Tell me when you are free to pose & how to get in touch with you. Write to Mike at the address below.
